PHEASANT CREEK RECEIVES RECOMMENDATIONS

The proposed building of the Pheasant Creek Apartments in Antioch once again heads the Planning Commission's agenda. At last Tuesday's meeting, the Commission reviewed Pheasant Creek with an eye toward answering questions asked by the Northeastern Illinois Planning Commission. The Commission has received the Lake County Regional Planning Commission review of the proposed project, which they requested.

AS you will recall the proposed Pheasant Creek will occupy a 32 acre site northwest of the Village. The project will produce as many as 484 units with a possible projected population of 1,200 persons. The Lake County Planning Commission made eight recommendations and will endorse this project subject to compliance with them.

Waste water disposal heads the list of recommendations. The soils within this site are not conducive to septic fields. Therefore, the Commission recommends that there be a firm commitment to connect this site with the Antioch Sewage Treatment Plant via an interceptor sewer running from the development to Illinois Route 173 along Tiffany road. All plans must be reviewed by the Engineer of the Village of

Antioch. Development of this project should be aligned with the expansion of the Antioch Sewage Treatment Plant and the ultimate inclusion of the Antioch System in the Northwest Subregional System.

Another problem that Pheasant Creek faces is that a portion of the property is adjacent to the Sequoia Creek which intersects the southwest portion of the site. This property is susceptible to flooding, which presents another restriction on residential development. Therefore, the Commission recommends that the developer must consult with the Lake County Soil and Water Conservation District, to ensure proper construction and excavating techniques are utilized in developing the unstable soils. Furthermore, the project must comply with Flood Control Regulations. These regulations include: that the runoff char-

acteristics of the Sequoia Creek Basin will be reserved as they now exist, that the natural flood plain will be used for flood storage during periods of increased run-off, and that the flood plain will not be reduced in capacity, filled in or encroached upon by buildings.

The Commission points out that susceptibility to flooding and various limitations could render this development environmentally unsound. These complications must be resolved through diligent planning and development. It is then in line that the Commission recommends that the development must maintain the flow of storm runoff at the same rate that existed prior to the development. Methods used to control this runoff could include: storage lagoons, storm sewers, controlled discharge, and ground cover plantings.

The construction of the

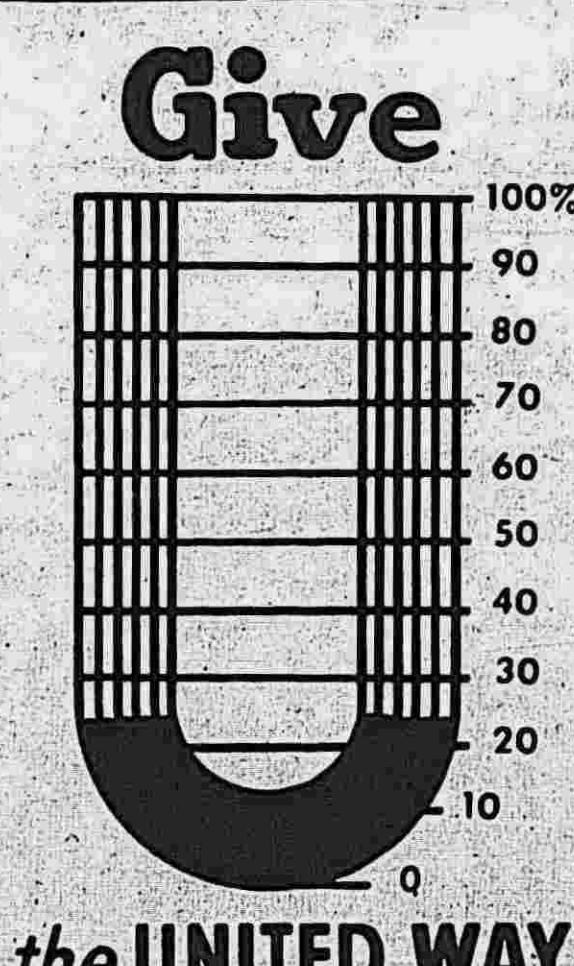

Pheasant Creek Apartments themselves should be coordinated with other anticipated developments. A functional and aesthetic landscaping will be necessary to prevent erosion and conserve soil resources. It will also add visual quality to the project. The project should be in coordination with the Lake County Division of the Environmental Health. Lastly, adequate space for parking, loading, and storage should be ensured.

The Commission did not find it necessary to make any recommendations regarding the school systems, since they noted that schools are in the vicinity of the site and the impact of the complex will not overcrowd the existing educational facilities.

However, in general the Lake County Regional Planning Commission feels that a more appropriate location could have been chosen in this instance. They recommend that in future site selection the developers, Kosnar, Bradshaw, and Brumlik, consult the Lake County Department of Public Works; the Lake County Soil and Water Conservation District; the Lake County Health Department; The Lake County Division of Environmental Health and the Lake County Regional Planning Commission.

These smiling beauties are this year's candidates for Homecoming Queen. Senior candidates (l to r front row are Connie Wieczorek, Cathy Grunewald, and Kerry Shute. Junior, Sophomore and Freshmen representatives are respectively: Melea Church, Sherry Busscher and Sherri Engelhardt. (Staff Photo)

Help raise YOUR Antioch Township United Fund barometer. Our goal is \$4,000 in Antioch.

HOMECOMING DAYS

As these great October days rush toward November, Antioch's Homecoming manages to capture a weekend, and that weekend is fast approaching.

The Homecoming Pep Rally and Bonfire will be held Friday night at 8:00 p.m. The Homecoming Parade will be held on Saturday at 10:00 a.m. followed by the Sophomore football game at 12:00 and the Varsity Game at 2:00. The Homecoming Dance will be held at the South Gym from 8:00 to 11:00 p.m.

SEQUOIT HAPPENINGS page 17

(l to r) Mr. Preston Reckers, Independent Business Chairman for Antioch, Mrs. William Brook, Crusade Residential Chairman for Antioch, Mr. Thaddeus M. Bond, 1972-73 Lake County Crusade Chairman; Mr. John Ginocchio, Bike-A-Thon Chairman. Antioch's Crusade goal for last year was \$2,750, and was more than exceeded by a total of \$3,403. Total for Lake County was \$139,344 - goal was \$123,157; it was announced at the Annual Dinner Meeting of the Lake County Unit of the American Cancer Society.

SURVEY

All too often the average man is not consulted when the important issues of the day are decided. Invariably he has little to say in the workings of government.

But now, the average man has recourse. Through the following questionnaire you can make your feelings known to those whom you will elect.

The aim of this survey, then, is twofold. First of course to indicate the preference of voters in key races. Second, to make a sounding of the issues that are most in the minds of the electorate and possible policies to be implemented.

We encourage anyone having additional viewpoints to jot them down on a separate sheet of paper. However, you need not expose your voting preferences. Signatures are not mandatory.

1. Whom do you prefer for president?

- Nixon
- McGovern
- other

2. Whom do you prefer for U.S. Senator?

- Percy
- Pucinski
- Other

3. Whom do you prefer for governor?

- Ogilvie
- Walker
- other

4. Rank in order of importance the most serious issues facing the nation.

- inflation
- Viet Nam
- welfare reform
- crime and drug abuse
- school bussing to achieve racial balance

5. Are you in accord with reforms instituted at both political conventions?

- Yes
- No

(If you feel the need to qualify your answer, please use separate sheet.)

6. Based on information you have gathered, do you think the current administration has effectively controlled inflation and stabilized the economy?

- Yes
- No

7. Which do you prefer:

- increased
- decreased
- existing
- spending for national defense?

8. Which policy regarding the Viet Nam POW's do you feel most likely to succeed?

- Require the return of POW's prior to withdrawal
- Withdraw first as a condition for the release of POW's
- Other

Please cut out and return to:

Be sure to follow our weekly Astro Chart, which is being brought to you by the Sewer, located on Victoria Street in Antioch. The Astro Chart will happily be a regular feature.

"LIGHT THE NIGHT" CAMPAIGN

Realtor Ray Behm, Public Relations Chairman of the Waukegan-Lake County Board of Realtors reported that the area Realtors are sponsoring a "light the Night" week campaign in this area on October 29 to November 4. The objective of the campaign is to tell homeowners how to protect their home and family against certain types of crime through easily followed practices, with emphasis on better lighting.

Behm further stated that approximately 100,000 brochures, entitled "Crime-Stoppers to Protect your Home and Family," "Help Combat Crime," and "Laws & Youth," include numerous tips on how homeowners can protect their home while they are asleep, out for the evening, or away on vacation.

The brochures also contain official crime statistics which reveal the fact that most assaults and burglaries occur at night.

Behm said in conjunction with this campaign the Board of Realtors have been contacting the various communities in Lake County and have experienced enthusiastic support as evidenced by the number of proclamations received officially declaring "Light the Night" week. In addition, the Lake County Sheriff's Department and Lake County Police Chief Association is in accord with the project.

Local merchants are being encouraged to participate in the community affairs project by offering customer assistance in the selection of appropriate lighting equipment and devices, locks, etc.

Behm also commented that interested parties could obtain more information on this campaign by contacting him at 223-8178.

GRASS LAKE TO HOST PARENTS

On October 24th and 25th, the Grass Lake School invites the public to visit the school in observance of American Education Week. William Hart, Supt. asks that parents sign the guest book in the school office and receive instructions to facilities they wish to visit. Hart reported, that last year 70 parents visited the classrooms and toured the building, this year our goal is 90 parents at a minimum.

Lunches will be available to visitors and are asked to

contact the school office by 10:00 on the morning they plan to visit if they wish to eat lunch.

Hart noted areas of interest for visitors to observe:

1. The Central reading Program under the direction of Miss Kathleen Pope.

2. The expanded Social Science and language Arts program.

3. The functioning of teacher assistants used in the various grades.

ON BEING INVOLVED

The world is a large place to live in and it is placed in an infinitely vast universe. It would be utterly impossible to know everything that happens in the world and at most we only receive a general sketch on the important issues of the day. Most of us couldn't tell you what revolutions are going on in Africa or how the Ulster dispute began in Ireland, or how the miners are doing in Pennsylvania. These things are for the most part very excusable, nobody can know everything on a universal level, but the local level is a different story, at least it should be.

Most people don't realize that they can have a very active part in their local government. But all of us are so limited in the amount of free time that we have to spend, why should we waste it going to board meetings? The answer to this question is a simple one, but it is an answer that doesn't seem forceable enough and will probably only be read as a string of words and will sadly enough never evolve into action. The answer is: that the local government effects all of us in our everyday life, our community would be very much different without it and it could be very much better if all of us actively took part in it instead of just a handful.

Donald E. Deuster, who is a candidate for State Representative brought this point home this week. He said to the effect that you wouldn't hire someone to work in your shop or to clean your house without giving them a set of explicit directions on what you would like them to do. The representatives, like our Mayor and Village Board and school board are all elected by us and they are working expressly for us as are the Zoning and Planning Commissions in order to make a better community. Isn't it right therefore to keep an eye on them and to let them know how we, as citizens would like to see things.

Every first and third Monday of the month the Village Board holds their meeting, why don't you drop in and see what's going on. Keep an eye open for the Zoning Commission to announce a meeting and don't forget that the Planning Commission holds their meetings every fourth Tuesday of the month at 7:00 p.m. Furthermore, remember that the grade school board meetings are held on every second Tuesday of the month and that the High School Board meeting is on every third Wednesday at 7:30 p.m.

So put your foot in the door and get involved, give yourself a helping hand.

OUR CONGRESSMAN

OPPOSES REVISED REVENUE SHARING

Congressman Robert McClory expressed strong opposition to the Conference Committee Report on Revenue Sharing which embodied a revised formula as recommended by the U.S. Senate.

Under the measure presented to the House of Representatives and approved by a majority of 265 to 110, Illinois and most municipal governments in the State will suffer reduced allocations. In addressing the House of Representatives, Congressman McClory declared:

"Although I have supported the principle of revenue sharing, I cannot vote for the Conference Report. The reduction of some \$14 million for residents of Illinois is inequitable and unfair. The Congressional District which I represent is taking the severest cut of almost any area in the nation. The Lake County portion is cut from \$6 million 303 thousand to \$3 million 863 thousand. The McHenry Co. share is reduced also and in Kane County, the loss amounts to over \$2 million 100 thousand.

The losses to Antioch and the local government is as follows:

Under House Revised Bill Loss
Bill H.R.14370

30,189 24,311 5,878

Dear Sir:

THE CREDIBILITY GAP

The voting record, many speeches, and actions of Senator George S. McGovern show us his radicalism and irresponsibility. It is obvious he lacks any intellectual integrity and courage to admit his beliefs in socialism. Therefore, he pretends to be a Democrat. Informed citizens are confronted with the outspoken credibility gap created by McGovern. They will not fail to draw the proper conclusions in the November election.

Sincerely,

Dr. Alexander V. Berkis
Professor of History
Longwood College
Farmville, Virginia

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

ROAD PROVES A POINT

Speaking of being involved, having an active interest in our environment and our government and having the initiative to speak out and have our views heard and our questions answered, the following seems to concretely illustrate the point.

Mr. David C. White of 307 Lake Shore Drive, Lake Villa had a question that he wanted answered. Mr. White travels to work everyday on Rte. 59 between Antioch and Fox Lake. Route 59 he observed, as many others have undoubtedly have too, is badly in need of repair. Instead of mumbling a string of choice words on Rte 59 each morning, because of its condition, he decided to take positive action. He wrote to the Department of Transportation and the following letter is the reply that he received from them:

We are certainly aware of the need to improve this highway. It is typical of many miles of narrow, outmoded roads that remain on our primary system of highways. The Governor's expanded highway program is emphasizing the upgrading of these older existing pavements and during the past three years improvements have been completed or were under way on over 4,500 miles of highways. This compares with 4,800 miles undertaken during the previous ten year period.

The section of Ill. 59 between US 12 and Ill. 132 was included in our 1971 construction schedule to be awarded late in the year, and the section from Ill. 132 to Ill. 173 at Antioch was planned to be in our 1972 construction schedule. However, the 1971 construction season was extremely good and much longer than normal. Work completed by the Road Fund for work completed at a rate almost double that anticipated. This left the road Fund with a minimal operating balance that did not show up until late in the year. This required us to defer the awarding of additional non-Federal financed work until the Road Fund balance stabilized.

This situation will be with us all of this year and part of 1973, and has affected the Ill. 59 work as well as many

other critical projects throughout the State that we had planned to have under contract late in 1971 and during 1972.

You may be assured that we are aware of the need for improving Ill. 59 and it is high in priority for early scheduling and will be included as soon as funding permits.

Thank you for writing...

Ralph D. Brown, Jr
Dir. of Planning, Programming and Environmental Review

Granted, Mr. White did not get immediate results, but his letter does prove several points. First of all, his letter did not go unnoticed. Secondly, he now knows where he stands and at least has reminded the department of the urgency of the road's repair. Furthermore it would not hurt other concerned citizens to write to the department in regard to the roads condition. If letters pour in regarding this particular road and great concern is demonstrated by the people that use it, who knows, maybe the road will be mended sooner than expected.

Dear Mr. Rush:

I would like to respond to the letter from Don Deuster, Republican candidate for State Representative, which appeared in your October 4th newspaper.

Mr. Deuster correctly states that the new Illinois constitution requires for the State to assume the "primary responsibility" for financing public education, but nowhere does Mr. Deuster suggest where the State is to get the funds to fulfill this already overburdened middle-income homeowner and wage earner. I have suggested the adoption of a state lottery, and consideration of such other novel revenue sources as legalized off-track betting and corporate stock transfer taxes. It is easy enough to identify the problem -- creative legislation deals with identifying solutions.

Secondly, Mr. Deuster points out that State aid to education has doubled in the last four years. Mr. Deuster, however, chooses to ignore the fact that the State aid bill proposed by Governor Ogilvie and adopted by the Legislature this year will result in eight school districts in the 32nd District receiving less State aid this year than last, with an additional eight districts receiving less than a five percent increase -- not even enough to keep pace with inflation. This is bound to result in increased local property taxes or decreased educational standards.

Finally, Mr. Deuster heaps praises on the Nixon administration for its so-called revenue sharing plan. In my opinion this scheme is ludicrous when the Federal government is operating at an annual deficit of about \$40 billion. Where is the money coming from? Why create a new bureaucracy in Washington to administer the plan when the national administration can't even balance its own books?

I would welcome any comments from your readers.

Stephen M. Slavin
Democratic Candidate
Illinois Senate
32nd District

WHAT IS IT???????

Last year's successful "Save Your Sight" day shows Pete Houlihan helping a young lady complete one of the tests. (Staff Photo)

SENDING OUT AN "S.O.S."

Yes, the above is a real picture. In fact it is something that is familiar to all of us, something that we might even see every day. What you ask, what is it? You don't know? And you thought that your eyes were in such good shape. If you really want to know what the picture is, turn the page sideways. Look for the head of an animal. Can you see its two eyes, ears and mouth? Yes, you guessed it, it's the head of a cow. If you can't see the cow your eyes may be in trouble.

Your eyes may fool you, just like our cow did. The eye is one of the most sensitive and important parts of our bodies and therefore they should be checked regularly. The num-

ber of blind people in our nation is phenomenal and most of these people were not born with their handicap. Maybe, you can rationalize, well, I can't afford to have my children's eyes checked much less my own eyes. But, this type of rationalization does not hold much weight, thanks to Antioch's Lions Club.

This is the second year that the Antioch Lions have sponsored a "Save our Sight" day, and this year the day is anticipated to be a greater success than last year. 2,000 - 3,000 people are expected to participate in the program. And for the price of absolutely nothing, that's right, this service is free, your eyes will

be examined for far vision, near vision, visual fields, depth perception, color perception, hyperopia, eye pressure (glaucoma), and muscle balance. Anyone over three years of age is eligible for the screening.

The eye screening will only take about 15 minutes of your time and may prevent a life-time of discomfort. The screening will take place on Sunday, October 22, from 10:00 a.m. to 4:00 p.m. at the Antioch High School.

And remember, as the Lions saying goes....

"Anything less - Than Your Vision at Its Best is a form of Blindness"

COMMUNITY FUND AIDS RED CROSS

One of the feature activities for high school students who participate in organized Red Cross Youth activities is the Leadership Training Center, which is conducted on a college campus for one week every summer.

Kathy Koziol and Krista Barlow of Antioch, have both attended the Red Cross Leadership Training Center, which is conducted on a college campus for one week every summer.

Kathy Koziol and Krista Barlow of Antioch, have both attended the Red Cross Leadership Training Centers; Kathy at George Williams College Campus at Downers Grove, and Krista at Rockford College.

The Centers are sponsored by the Red Cross with the intention of preparing young people for involvement in civic and social responsibilities when they become adults. The youth delegates, all participants in seminars on diversified subjects as drug abuse, human relations, international relations, ecology and disaster preparedness techniques.

Currently, Kathy Koziol is attending Northern Illinois University and Krista Barlow is a student at Illinois State at

Normal, Illinois.

The Red Cross is able to maintain this type of program through its partnership with the United Community Services of Lake County.

Pres Reckers, Chairman of the Antioch Division of the United Fund has doubled his volunteer strength and reports that 23 percent of our campaign goal has been reached already - the barometer on the front page is the tally of our Antioch goal.

Please take time to listen when the volunteer comes around to see you. It is a worthwhile endeavor that will be a personal benefit to the

citizens of Antioch.

Campaign Chairman Sabonians favorite poem.....

AFTERTHOUGHT

All that I gather and all that I keep I must leave behind when I fall asleep, and often I wonder what shall I own when to the other shore I pass alone.

What shall they find and what shall they see in the soul that answers the call for me? Shall the Great Judge find, when my life is thru,

That my soul has gathered some riches too? Or shall, at the last, it be mine to find that all I've worked for I've left behind.

ANTIOCH NURSE KILLED IN CRASH

Mrs. Dorothy C. Sanhamel, 58, of 565 North Main Street, Antioch, was killed in a two car crash west of Zion a minute before midnight last Thursday. A teenaged sailor was also killed in the crash and seven other young sailors were hurt.

Sheriff's deputies said that the accident occurred on Route 173 and Kilbourne Rd., northwest of Waukegan, and west of Zion. Both victims were pronounced dead on arrival at Victory Memorial Hospital,

Waukegan.

Mrs. Sanhamel, who was on her way home after getting off duty at Victory Memorial Hospital, was thrown out of her car. She had been traveling west on Route 173 when her car was struck broadside by the car driven south on Kilbourne Road by the sailor who was killed. Mrs. Sanhamel's car was reportedly practically cut in half by the impact, which carried both cars beyond the intersection.

BEING A CITIZEN, I PROMISE TOO...

We all want good politicians. We all want politicians that are honest. We all want politicians that will work to their greatest capacity and that will serve us and represent us in the best and fairest way possible. We all have a pretty rigid idea of what a good politician should be and how he should function. Some of us even feel that there is no such thing as a good politician; that politicians make up grand and persuasive promises just to make us vote for them and then they disregard them and possibly save these promises to use again in the next election.

Opinions vary on the awesome figures that represent our politicians, but these various opinions exist in all of us.

We have a right to our opinions no matter how they are arrived at or how fastly they are held.

But, how do things look from the other side of the fence? We know how we feel about politicians in general and what we expect of them, but do any of us know how they feel about the public they represent and what they expect us to do? Probably not. Therefore, the Antioch News has endeavored to ask the candidates for election to the Illinois General Assembly from the 32nd District what they expect from us, the public. We asked them what the public can do to make their job easier and to function most adequately as a politician.

Stephen M. Slavin (Dem) candidate for State Senator: To begin with people must take an active interest in their government. Slavin, who has spent three years on the Village Board of Deerfield, was appalled at the lack of interest that was demonstrated by the people.

Slavin said, "People just didn't take an interest in what was being done, even on important issues, such as budgeting, etc."

Slavin feels that if our government is going to run the way it has been set up to run, with elected officials representing the people, then it is of utmost importance that they receive input from their constituents. Slavin would also like to see more citizen interest groups on a formal basis.

Casey Kuklinski, (Dem) candidate for state representative: The public can help by writing letters. It is so important for the public to keep in touch. Organizational efforts can help too. It is also important for the people to realize that the newspapers play an important part too. They inform (or should inform) the people on what the issues are and what action the politicians are taking. He feels that constant communication and feedback are so important that he wishes to let the people know that he has a local public telephone number and that his wife would only be too glad to relay any messages to him in Springfield.

W. J. Murphy (Rep) incumbent candidate for state representative: The public should show more interest in their government, their state,

their village, and their school district. Murphy said, "People should not express their opinions in bars over a beer, but rather he should express his opinion in a letter to his representative. Individual letters always hold great weight and are always read."

Besides the public showing more personal interest, Murphy also feels that the public should very carefully vote for the man of their choice.

Daniel M. Pierce (Dem) incumbent candidate for state representative: The public should communicate with the politicians by letter or by telephone. Not just before the election, but after the election too. Civic Groups can be a big help, if throughout the year they will send representatives to Springfield to talk with the legislators. This can be helpful in two ways. The local representative can inform his group on what is happening in

Springfield and he can also inform the legislators on how his community feels on various issues.

Pierce said, "Unfortunately, sometimes it is just as easy and possible to get out of touch with Springfield as it is to get out of touch with Washington, and it really shouldn't be this way, both the politician and the public must make an effort to close this gap."

Karl Berning (Rep) incumbent candidate for State Senator: It is very frustrating for the officeholder to find that he is ignored, isolated, and removed from his public, because the public refuses or merely neglects to communicate with them.

Senator Berning said, "I have always enjoyed correspondence and have found it very helpful in accurate representation of the public."

He suggests that one of the best ways a citizen can correspond is to write down his views on whatever the subject may be and then submit it adding that he does not necessarily need a reply. This is a very great help and does not bog the politician down with mail.

Berning also encourages the

public to go out and seize any opportunity that he has to meet public officials. The citizens should participate in our government more directly at all times and not just at election times. It is also helpful and advisable to belong to local interest groups.

Donald E. Deuster (Rep) candidate for State representative: The finest thing that a citizen can do is to be alert and to be in communication with his representative. In fact, Deuster, feels so strongly on this point that he has been distributing campaign material with an attached postcard addressed to him. He has also been distributing his phone number along with his address on all campaign material.

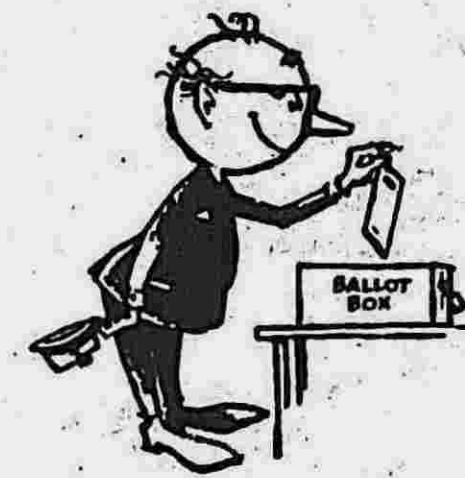

Deuster said, "The best thing that the public can do for the politician is to make a resolution this year, ('If you don't say to yourself that you are going to do it, then you probably won't') that you will write at least one letter to a politician."

He hopes that the people will resist their urge not to do anything and will follow their inclinations toward communication. So often a person will get riled up on a certain

issue and intend to send a letter stating their views, but they fail to make this intention a reality.

We hope that the above statements will give YOU, our readers a better insight into the thoughts and positions of our candidates. We also hope that it will make you look back and examine how YOU have helped our politicians in the past and look forward and consider how you can help them in the future.

We will continue to question our candidates on the various problems facing our 32nd district. If you have a particular question that you would like our candidates to answer, please write it out and forward it to the Antioch News, or phone 395-5554. Hours are on page 3 of this issue.

Have You Ever Moved

Their News !

THE ANTIOCH NEWS

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have an memorable photo to share, bring it in to the office.

Mrs. Wohfiel called to say that the Remember When picture last week was identified by Mr. Ray Stanton of Waupun Wisconsin, formerly an Antioch resident. The picture is of the tornado that hit Loon Lake on May 9, 1927. The picture was made by Ronson Studios.

GREAT PUMPKINS ARISE !

This year the great pumpkin will surely rise out of Antioch. But the question is, "Who's great pumpkin will it be?" It could be yours if you are between pre-school and the eighth grade and have any artistic ability at all.

This is the fourth year that the State Bank of Antioch will hold their Pumpkin Decorating Contest. Last year there were over 400 pumpkins entered in the contest, so the competition is tough. But there will be some expert judges on hand to help out. Judges include; Mrs. Jane Craner, who is an Antioch High School art instructor, and

Mrs. Bernadette Bay, of Bernadette's Art Store.

Two grand prizes will be given to the two greatest pumpkins. The grand prize this year is a Stingray Bicycle and will be awarded to the winning boy and girl.

Five first prizes will also be awarded. The first prize, which consists of a \$20.00 savings account, will be awarded in these five categories: Pre-School and Kindergarten, First and Second grades, Third and Fourth grades, Fifth and Sixth grades, and Seventh and Eighth grades. There will also be five second prize awards in these categories, which will be

a \$10.00 savings account. And last but not least, there will be four consolation prizes, which will be \$2.00 savings accounts.

The winning pumpkins will be on display in the Bank Lobby from October 26th thru Oct. 31st.

So get a pumpkin, carve, decorate or paint it, using any materials you wish, then bring it to the Bank on Tuesday evening, October 24th, between 6:00 and 8:00 p.m. Good Luck, but remember, if your pumpkin is not one of the lucky winners, not to forget to pick it up at the Bank between 10-12 on Wednesday, October 25th.

ON THEIR WAY TO CAMP OUT

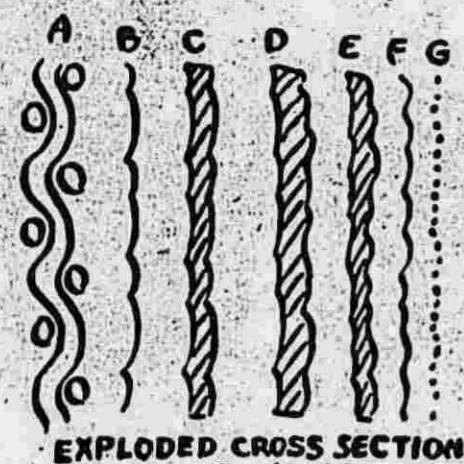

Three buses and many cars crowded to capacity with 157 happy girl scouts, plus some forty girl scout leaders and mothers, left Antioch Saturday morning, to be spending the weekend camping in the 244 wooded acres of the Wisconsin Campsite, Dodge County, which is located near Hartford. Leaders accompanying the girls were Mr. and Mrs. Richard Maston, Miss Edwina Nevitt from Cadettes Troop No. 213; Mrs. Frank Benes and Mrs. Elaine Wojnowiak, Cadettes No. 237; Mrs. Carol Quinn, Mrs. Anita Wisniewski, and Mrs. Mary Ann Miller - Juniors No. 123; Mrs. Jo Wegel, Mrs. Elaine Weber, Juniors No. 254; Mrs. Jennie Frenchik, Mrs. Ann Hirabayashi, Juniors No. 144; Mrs. Jean Proctor, Mrs. Barbara Gallagher, Mrs. Judy Schaffer, Juniors No. 204; Mrs. Eunice Jones, Mrs. Joyce Kufalk, Juniors No. 134; Mrs. Nancy Trayes, Juniors No. 157; Mrs. Fran Zajac, Mrs. Ann Byczek, Brownies No. 138; Mrs. Jean Hlavin, Mrs. Gail Heath, Brownies No. 238; and Mrs. Ken Van Sickle and Mrs. Raymond Schriber, Brownies No. 210.

General chairmen planning this combination camp-out; cook-out and hiking weekend were Mrs. Marilyn Zimmerman, Mrs. Jane Lytkainen and Mrs. Richard Maston. This campsite is a new one, and the girls and their leaders spent the night in either platform tents or regular tents. Hope they all kept cozy and comfortable - Saturday night was not the warmest on record!

This Sleeping Bag Ought to Keep Me Warm!!! (Staff Photo)

OIL PAINTING PROCEDURES CONTINUED..... Let us study the anatomy of an oil painting, as referred to in "The Artists Handbook" by Ralph Mayer.

- A. The canvas support.
- B. Glue Sizing.
- C. First coat of ground.
- D. Second coat of ground.
- E. The painting. This may be one simple directly applied paint film or it may consist of several layers, e. g.,
- 1. Underpainting
- 2. Overpainting
- 3. Glazes or scummings
- 4. Isolating varnishes or veils
- F. Picture varnish.
- G. Dirt.

In my June 14 article, ALL ABOUT CANVAS, the support, sizing and grounds were explained, therefore it is with "E", The Painting, we are now concerned, for paintings done with these layers in this order are apt to be more permanent. The UNDERPAINTING should be thin with color and without the addition of any linseed oil. The OVERPAINTING can be applied heavier in one or more layers—the top layers always heaviest—even with "buttering on" with a palette knife. This heavy painting is also called impasto. GLAZING is done to change a color or make an area darker without changing the underlying modeling or details. The underlying painting must be dry to touch and a transparent color (that is paint without any white added, for that would make it opaque) is diluted with glazing medium,

and brushed over the area with a soft brush, usually a Red Sable. A soft lint-free rag can be used to wipe up excess glaze or fade it out on the edges of the corrected area. The glaze medium can be either a bought painting medium, such as Grumbacher's Oil Painting Medium II (576) or simply a mixture of linseed oil and turpentine.

SCUMBLING is thinly applied opaque colors layered over dry painting then feathered out to blend in with the surrounding dry area. It is used to change a whole area in either lighter or darker tones as a correction or a change in plan.

ISOLATING varnishes or veils are thin coats of varnish used between coats of paint in certain techniques to make the surface more absorbent. This technique is best avoided as being a possible cause for crazing.

PICTURE VARNISH is not really necessary, but if you do feel this protects an oil painting, use only Demar varnish. It is either sprayed on or applied with a soft wide brush, and only on a thoroughly dried painting. It is usually put on after the painting has dried for a year.

Notice that the top layer is not glass, as oil paintings are not framed under glass. The top surface DIRT caused by all pollutants is best taken care of by weekly dusting. However, when an oil painting is noticeably dirty (usually the whites look yellowed), carefully wash with a cotton swab, dampened with water and dry the area immediately with another soft swab. If soap is used it should be pure ivory and used sparingly. The lye content in soap can ruin the oil colors, so it must be rinsed with many damp swabs.

Happy painting.
Next Week: ARRANGING THE PALETTE AND SOME HINTS ON MIXING COLORS.

SKI SWAP

Are you ready for all the snow Mathon, the famous predictor from Waukegan announced this winter????

Each year, the National Ski Patrol plans a giant Ski Swap at the Arlington Park Race Track in conjunction with the Annual, Ski Show. More than 29,000 Ski Patrolmen and women in the United States who are dedicated volunteers, help make this fund raising campaign a huge success.

The National Ski Patrol would like to extend a special invitation to everyone to come and see this year's fabulous

display. It's the time of the year to check your equipment and clothing. Mark your name, address and phone number on the things that are saleable. Let us know what you would like to receive for the item and bring it down to us. Take a look around at all the other equipment and see what you can find for yourself and family.

Remember, mark your calendar for Thursday October 26th through the 29th. Pickup a PASSPORT PASS TO EXPO WINTER, at the State Bank of Antioch and the First National Bank of Antioch. This pass gives you a 50 cent discount from the regular price. Also this numbered passport entitles you to a chance at the Grand Sweepstakes drawing on Sunday night...Come and bring a friend.

BLOOD MOBILE RETURNS TO ST PETER'S

The Red Cross Blood Mobile will return to St. Peter's on November 5 to pick up the remaindered pints of blood necessary for St. Peter's Parish to establish a Group Assurance Program. In this program, when 20 percent of the parish families each send a donor, any blood needed by any registered parishioners will be taken care of. In this program - registered families that are unable to donate for medical reasons, will be able to draw any amount of blood needed at no cost or blood replacement.

The entire Parish will be covered if St. Peter's reaches its quota of 20 percent of its families on November 5. For further information, please call Mrs. Marilyn Roth 395-3736.

Who will be Homecoming Queen? Come watch the parade Saturday and find out. The parade starts at 10 a.m. from the High School.....

PM&L are in rehearsal for their first play of the season "Man of La Mancha" which will be opening November 4. Don't miss this one.

Guess who the most popular man in Antioch is? The postman, ask anyone!!

Belated birthday wishes go out to Rich Proctor who celebrated at Beloit college where he is a freshman this year. He celebrated on the 12th. Kathy Proctor celebrated on the 14th. Happy birthday to "super disc" Rick Johnson who will celebrate his birthday this Thursday, Oct. 19 and to Dale Frasch whose big day is Oct 18. Betty Smouse celebrated on the 20th, Sherri Abear on the 24th and Tom Proctor shares his birthday on the 22nd with his grandmother.

New daughters now grace the homes of Bev & Walt Shepherd and Dennis and Bobbi Rowan. Both babies were born on October 12.

Saturday evening will be a big event for Mr & Mrs. Andrew Euzzino as they will be honored with a party at Lorenz's to celebrate their 50th Wedding Anniversary. They live on Main St. with their daughter, Henrietta Albergo and their family.

Engagement congratulations to Charmaine Daniel, daughter of Mr. and Mrs. Richard Daniel. She is engaged to Michael Fagan of Libertyville. The wedding is being planned for Nov. 17 at St. Peter's Church.

held their 25th year class reunion at Andre's Steak House in Richmond. They also invited the class of '46, as they didn't have a reunion. Was really great seeing former classmates again after so long.

Cloud 9 is still what Dan and Angie Maras are on after spending most of September in Yugoslavia and 6 other countries. Happy to see the beauty and culture of other countries, they would still rather fight than switch. America is the greatest!!

Kennedy and Jane Heuer were in town last weekend for the 1947 Class Reunion. Ken received the "Door Prize" which was a door with a white vinyl covering which everyone present autographed. Nice to have for fond memories! Jane, who is Mabel Lou Weber's sister visited with her family on Sunday. Dale Heuer, a med student at Northwestern and Bill Dow home from from Stout State University both helped to make the family gathering a little more festive. To make the whole day complete, the Bears won and Arnie Weber had a super day.

See ya at the parade!
Annie Mae

Chuck Miller was the first place winner in the "Decoy Painting Contest" sponsored by Stanley's Men's Fashions. Carol Miller was the second place winner and Ray Culver of Grayslake came in third. There were 24 entries in all and they came from all over Lake County, including; Antioch, round Lake, Grayslake, Lake Villa and Fox Lake. Expert judges were Antioch's Jack Wells and Bill Brooks. The first prize was a case of shotgun shells valued at \$125.00, second prize was a sports coat valued at \$35.00 and third prize was a hunting shirt valued at \$18.00. MR. AND MRS. LLOYD MURRIE TO HEAD SENATOR BERNING CAMPAIGN

Mr. and Mrs. Lloyd Murrie of Antioch have been named Area Campaign Chairmen for the re-election of Illinois Senator Karl Berning.

They are working with volunteer campaign workers in

the Antioch and Lake Catherine area, and are undertaking various campaign functions for the re-election of the two term Republican senator.

Using campaign materials and literature, holding coffees, and conducting local "get out the vote" drives, the Area chairmen and their volunteer workers will stress Senator Berning's "People First" campaign theme.

Senator Berning's re-election campaign emphasizes his full-time representation of all residents in the 32nd District,

his experience in elective office on the township, county and state level, and his continued concern for the people of his district. Between now and election day Senator Berning has scheduled functions in every community and township of his district to meet voters and tell them about the work he is doing in the state legislature.

Senator Berning has served two terms in the Illinois Senate. The 32nd District includes Lake County and a portion of McHenry County.

"The best kind of blind faith is blind to other's faults."

ALTER AND ROSERY SOCIETY NEWS

The Alter and Rosery Society of St. Peter's Church met last Tuesday evening in the Blue Room of St. Peter School. The meeting was called to order at 8 p.m. by the president, Mrs. Dorothy Purfeerst. After the business meeting was held and committee reports given, the meeting was adjourned and refreshments served amid some beautiful fall decorations.

After the refreshments were served, program chairman, Mrs. Helen Zeien introduced Mrs. Jeanne Drew of Batavia, Illinois, to the ladies. Mrs. Drew is an expert in handwriting analysis and entertained the ladies with a very interesting talk. It helped the group find out some very interesting things about themselves through their own handwriting.

Coming events for the Alter and Rosery Society is a Christmas Boutique planned by Mrs. Luann Haisman with articles to be sold on Bingo nites. The next regular meeting will be held November 14th, in the Blue room. A District Buzz Session will be held on November 15th at the school at 7:30 p.m.

BICYCLISTS UNITE

A reminder to all citizens who can ride a bicycle and wish to make a great contribution to the American Cancer Society, that the first national bike-a-thon will be held on Saturday, October 28, or on Sunday the 29th in case of rain.

Participants are advised to obtain as many sponsors as possible.

BEFORE THE RIDE

Obtain as many sponsors as possible. Ask your teachers, friends and relatives, family doctor, dentist, merchants, etc., if they want to help by sponsoring you for each mile you ride in the "Bike-A-Thon." A dime a mile would be a good start. You can also carry a small passenger during your ride, so line up sponsors for the little ones.

Explain to your sponsors what their tax-deductible contribution will be used for. Have them sign both sponsor sheets (A&B); inform them you will return to collect their pledge after the ride.

Sign your waiver agreement; parent or guardian must also sign for riders under 21.

Be sure your bicycle is in excellent operating condition. Check the pressure in your tires. If you do not own a bike, borrow or rent one for the day.

DURING THE RIDE

Relax, take your time and enjoy yourself.

Riders must go in the direction indicated by the arrows on the route map in order to receive credit for their ride. Directional signs will be posted on the route.

Obey all traffic rules and ride on the right side of the road. Stop at all stop signs. Watch out for cars and pedestrians. Ride defensively. Be careful not to block traffic.

Have your checkpoint card validated at each checkpoint.

ON THE DAY OF THE RIDE

Wear bright clothes, but don't overdress. Bring along a wind-breaker, canteen, and a bit to eat.

Meet at checkpoint 1 or 4 of your chosen route, whichever is the most convenient. Be sure to bring your sponsor sheet (A&B) and the signed waiver.

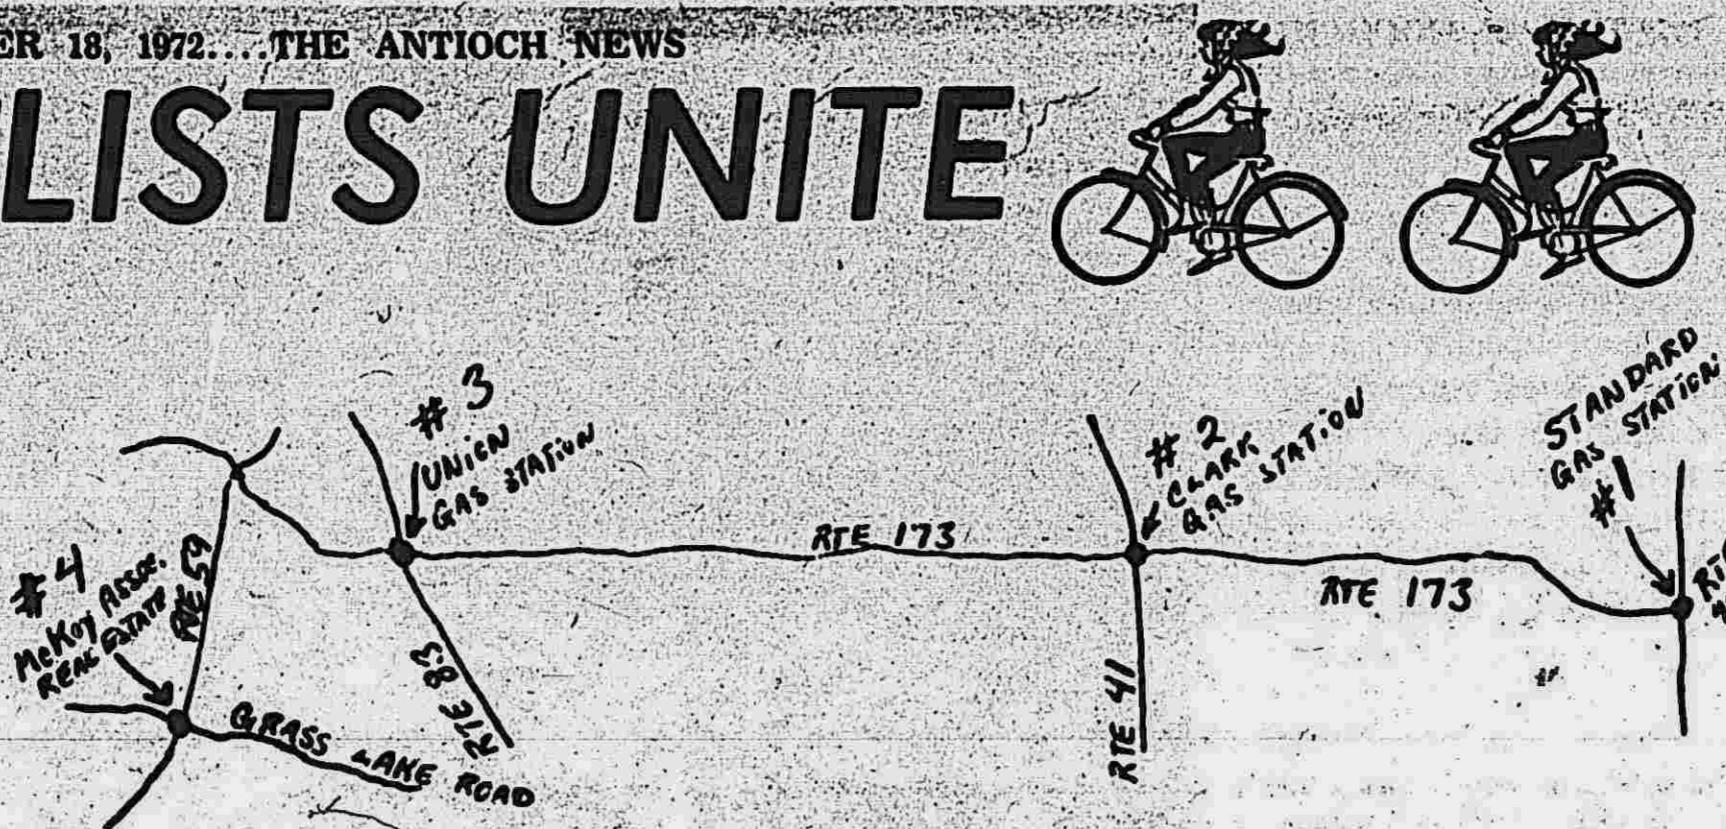

AFTER THE RIDE

At the end of your ride have your checkpoint card stamped "End," we will add the number of miles you rode and record it. If you drop out be sure it is at a checkpoint rather than midway.

Within several days, return to your sponsors and show them your sponsor sheet (b) and the checkpoint card which verifies the number of miles you contemplated. Collect their pledge. Ask them, preferably, to write a check to "American Cancer Society" or give their pledge to you.

In addition to the contribution that you will be making to the American Cancer Society, you will also be eligible to win a valuable prize that will be awarded to the three riders who turn in the largest total contributions within 30 days of the Bike-A-Thon.

Applications are available at High Schools, Junior High Schools, Colleges (Lake Forest, Barat, College of Lake County), newspaper offices, radio stations, sporting good stores, bike shops, and the office of Lake County Unit of the American Cancer Society, 228 N. Genesee Street, Waukegan, phone 336-9293.

LIFE UNDERWRITERS HOLD AWARDS

MEETING

The Lake County Life Underwriters Association will hold their October 20th meeting at 12 noon sharp in the Holiday Inn, Gurnee.

This will be an "Awards" meeting. The National Quality and the National Sales Awards, and the LUTC certificates will be presented. John Muehler is Award Chairman.

american legion auxiliary news

Mrs. Victor Lello of Chicago, State President of the Illinois American Legion Auxiliary; accompanied by Mrs. William Stringer, Chicago, State First Vice President; Mrs. Jerome Murphy, Aurora, State Membership Chairman; and Mrs. Ray Rathmann, Antioch Second Division President; have already begun a busy schedule of visiting the 25 Districts throughout the state, conducting Caravan workshops. These Caravan workshops are held to inform the members on the forthcoming programs and procedures of the American Legion Auxiliary.

The 10th District Auxiliary will be hosting these Department Caravan officers on October 30th, at the George Alexander McKinloch, Jr. American Legion Home in Lake Forest, at 7:00 p.m.

Caravan workshops are planned for the 73,000 members of the Auxiliary, so that they may personally participate in the discussion of all their programs. Question and answer periods follow these sessions, thereby increasing knowledge and interest in the varied projects of the Auxiliary - Americanism, Children and Youth, Civil Defense and Emergency Planning, Communications, Junior Activities, Membership, National Security Rehabilitation and Veterans' Affairs will be among the more important topics for discussion.

The theme of this year's membership program is "Around the World in '73 - On Flights of Hope for Peace". To emphasize this, the 25 Districts and 5 Divisions will focus their attention on various countries around the world. Particular stress will be given to the foreign relations programs, as well as

those pertaining to patriotism, educational opportunities, etc.

Mrs. Everett Ainsworth, Lake Forest, 10th District President, will be the hostess presiding officer, for this Caravan. She urges the attendance of all officers, chairmen and members to this annual event.

Social Notes

by: Del Jahneke

The Bernard De Vries family of Antioch took advantage of the three day Columbus Day weekend, traveling first to Yoga Bear, Jellystone Park at Warrens, Wisconsin. While there, they took a hay ride to watch the harvesting of cranberries, a very different and unusual process. A delicious whole beef barbecue dinner, and afterwards, some lively polka dancing to a medley of instruments - a concertina, drum and guitar. They visited Bernie's parents, the Samuel DeVries in Sparta. At LaCrosse, they saw Bernie's brother, Tom and his family. They climbed on top of "Grand-Dad's Bluff", a steep, tall rocky promontory overlooking the city and surrounding area. It was a breath-takingly beautiful view with all the trees in full autumnal display colors.

Sincere sympathy is extended to the F.A. Swenson family, Deep Lake Road, Antioch, in the death of Al's sister, Mrs. Margaret Millen, who died October 10th, in the Kenosha Shady Rest Home. Mrs. Millen was a registered nurse for nearly fifty years, and served as a nurse for three years during World War II. She worked mostly at West Suburban Hospital in Oak Park,

Tod Maplethorpe, Antioch Fire Chief, is showing a couple visitors around the firestation last Friday evening at the Open House (Staff Photo)

FIREMEN PARTICIPATE IN ECOLOGY DRIVE

The Lake County Firemen's Underwater Recovery Teams and the Century Divers, Inc. of Lake Villa combined their efforts Sunday to stage an

Ecology Dive at the Waukegan Harbor. Fifty four divers took part in the day long event which got underway at 9 a.m. The Antioch men also brought their boat which was recently purchased by the State Bank for underwater recovery work.

The day long event found the divers recovering lots of junk from the harbor area. Two truck loads were hauled away to the dump.

Frank Kuechenmeister headed the teams in orderly fashion. The other firemen from Antioch taking part were Bill Eckert, Bernie Gutowski, and Ken Watson, Boatman. They reported no treasures were

found, but an interesting dive nonetheless.

Two door prizes were given away, and the winners were Fred Tagel from the Waukegan Fire Dept., winning a See-thru Gauge and Greg Cook of DeKalb who won a scuba tank.

The organizations are already planning another dive of this type next year.

ROYAL NEIGHBORS HOLD SILENT AUCTION

The Royal Neighbors Olson Camp No.459 held their meeting on October 10, 1972 at the American Legion Hall. Ida Kufalk marched in with the American Flag and all said pledge of Allegiance.

Birthdays for the month were, Irma Hostettler, Pearl Anderson and Emily Novotny.

A silent auction was then performed. Bea Milz, Pearl Anderson and Vi Golden were in charge. Pearl Anderson was the Auctioneer. Cards followed.

The kitchen committee were Effie Nelson and Lilian Kufalk and Gladys Wilton assisted. Delicious sandwiches were served.

Next meeting will be on October 24, 1972 at 7:30 p.m.

THIRSTY FOUR PLAY FOR BIRTHDAY

Bill Triner, Bass Sax - John Trojak, Piano Accordion - Geo Trojak, Tenor Sax - Rudy Drnek, Tenor Sax - all played for the (?) birthday of Bob Kutchan. Tom Vondrasek did a special Hula Dance for the crowd. Visitors were Mr. & Mrs. Wisniewski - Chas & May Prazek, Martha & Leonard Mayer, Frank & Maureen Michael - Frank Marek (Loon Lake) Otto & Georgia Chabala from Stickney.

All danced and sang to the lovely tunes of the Thirsty four Band.

GRADE SCHOOL BOARD TRIES TO "MAKE ENDS MEET"

The Upper Grade School held a lengthy meeting last Tuesday night as they discussed in a closed session the question of the audit fee.

In the open portion of the meeting they amended the minutes of the Special Board Meeting to include resolutions providing for the levies for taxes related to the Special Education Building Fund and the working cash fund.

Action was taken to cover permanent transfer to the Building Fund of interest earned during 71-72 in the working Cash Fund per audit

6-30-72. Further action was taken by the board to cover the return of \$17,822, which was previously transferred permanently to the Building Fund, to a loan status per audit of 6-30-72.

The board also considered participation in the Title programs for 1972-73. The title programs include: ESEA Title I, which is the summer school program, ESEA Title II, which is the Library program, and NDEA Title LLI, which concerns Educational Materials. The decision to send a letter of intent was reached, and more

will be heard on this subject at a latter date.

Also, under discussion was the teacher's work day. The teachers have accepted the noon hour supervision of pupils which they are not legally bound to do. This amounts to something over an hour per week per teacher. In order to help offset this time, the teachers will be let go on Friday afternoon 15 minutes after school is out, which is 3:00 p.m. The teachers should be commended for their efforts. They got the school out of a tight spot, since there is no paid supervision for the lunch hour this year.

GRASS LAKE REVIEWS ANNUAL REPORT FOR RECOGNITION

Supt. William Hart reviewed with the Board of Education the Annual Report for Recognition for the coming school year. Specifically noted by Hart was the fact that the Grass Lake School is locally servicing 33 Special Children with various individual needs from Hearing Impairment, Learning Disabilities, and Speech Correction. Another 7 students are receiving service from the Co-operative District of Lake County. Review of the financial status noted that the per capita cost for the past year was \$715.00. Fourteen full time and two part time teachers are also on the teaching staff.

Due to the recent annexation of property to District 41 the Supplemental Aid Claim was discussed and filed for the coming year.

Two board-staff committees were established with Mr. Wm Belz, Mr. Michael Wojnowiak, Mr. Earl Brumbaugh and Mr. Bruce Worswick serving on Teacher Welfare and Mrs. Lorraine Cerk, Mrs. Marilyn Haling, Miss Kathleen Pope and Mrs. Patricia Fier comprising the policy committee.

Approval was granted for Mid-Lakes service to plow the school parking area and H.B.C. Inc. to clean and repair the stage draperies.

Mr. Ellsworth Goebel was employed as a day time custodian for the coming year.

Leaders in the State Bank of Antioch Women's Golf League proudly display their first-place trophies. Mr. Wm. Brook, President of the State Bank, presented the trophies at the annual golf banquet (left to right): Marge Solar, Phyllis Kapischke, Jean Karas, Sara Fields, Jean Daniels.

WOMAN'S GOLF LEAGUE BANQUET AND AWARDS NIGHT WELL ATTENDED

Over a hundred members of the Antioch Womans Golf League and their husbands attended the second Golf Banquet and Awards Night at Andre's in Richmond. The League is sponsored by the State Bank of Antioch. After cocktails and dinner Irene Hahn, President, acted as Mistress of Ceremonies and introduced Mr. Pres. Reckers, Vice President of the State Bank. Mr. Reckers introduced the Officers of the League and the Board Members and presented them each with a gift from the State Bank. The Officers are; Irene Hahn, President, Phyllis Bucar, Vice President, Carol Anderson, Secretary and Kay Costoff, Treasurer. Board members are Frances LaPlant, Betty Mentone, Sara Fields and

Mary Cunningham. Mrs. Hahn then introduced Mr. Bill Brooks President of the State Bank, who along with Carol Anderson presented trophies to the top three teams and the team in last place.

First place team was Team no. 1 with members Jean Daniels, Sara Fields, Marge Solar, Phyllis Kapischke and Jean Karas. Second place team was Team no. 3 with members Eileen Zinni, Eugene Nissen, Ruth Pickus, Jean Haling and Char Smith. Team no. 9 was third with Irene Teresi, Edna Behm, Irene Hahn, Anne St. Pierre and Lou Parker. Team no. 2 came in last. Cathy Cirone received a special award for "most improved golfer".

Dancing to the music of Art Smejkal and his band ended a most delightful evening.

SALVATION ARMY EYESORE

The Salvation Army drop-off was one of the topics of discussion last Monday at the Village Board Meeting. The Board deemed the Salvation Army drop-off to be an eyesore and will contact the Salvation Army to remove it. A weeks time will be given for the removal of the drop off and it may be relocated outside the Village fence. People have been dropping off old mattresses and other objects that are too large for the present container and have caused the drop-off to be an unsightly mess. The board will encourage the Salvation Army to set restrictions on what may be dropped off. It is hoped that this problem will

soon be remedied.

Monday night's meeting was also the conclusion of Mr. Blanksten's story as the Village Board passed their first Equine Ordinance, which will permit Mr. Blanksten to have his horses. An ordinance was also passed in regards to traffic signs and signals.

Halloween trick or treating was also scheduled for October 31st and will take place from 3:00 to 8:00 p.m. Expenditures were authorized to cover payment of extra policemen for that night.

And moving on into the winter, the board passed a motion to purchase two new snowplows, which are badly needed, at a cost of \$2,650.

WOMAN'S CLUB OPENS NEW SEASON

The Club year of 1972-73 of the Antioch Woman's Club opened with a luncheon for members and their guests at Caesar's Restaurant on October 2. A short business meeting was held. Members introduced their guests. An announcement was made that the Antioch Woman's Club Cook Book will be received from the publisher early enough

to be purchased for Christmas gifts.

On October 17 the club served as hostesses to the people in the Lake County Home. Refreshments were served and each person with a birthday that month was presented with a gift.

For the December Christmas meeting the club will be hostess to the Lake County Federation.

4-HERS UNITE

The Chain O'Lakes 4-H Club were part of the Five-Million 4-Hers and a half-million volunteer leaders, all over the country, who celebrated 1972 National 4-H Week, October 1-7. The celebration took on added significance with the knowledge that 4-H is now America's largest youth organization.

National 4-H Week is a time for re-evaluation among 4-Hers, their leaders and friends of 4-H. The theme of this year's National 4-H Week, "A New Day-A-New Way", denoted a spirit that will help 4-Hers "to make the best better" in new and different ways to meet the challenges of the new day of the 70's.

There's a new spirit in 4-H today. A spirit of pioneering, just like the men and women who worked with 4-H, in its early days after the turn of the

century. Today, coordinated by the Cooperative Extension Service, and aided by corporations, businesses and foundations, 4-H has spread into all 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, Guam and in 85 countries around the world.

The spirit of 4-H in Lake County was displayed in the Lakehurst Shopping Center the weekend of October 6-8. Over one hundred members and leaders participated in 8 club booth exhibits and 4 fashion shows throughout the mall area according to Sharon Coffman and Bill Messerschmidt, 4-H advisers. The Chain O'Lakes club offered quite a variety with exhibits on horse and pony, conservation and fishing, bowling and skating, a live goose, their club scrapbook and various awards and trophies.

SORENSEN-JUSTEN

St. Peter's Catholic Church, Antioch, was the setting for the wedding of Joyce Sorenson and Thomas R. Justen, Saturday, October 14th, with the Rev. Eugene L. Keusal officiating at the 3:30 p.m. ceremony.

The parents of the couple are Mr. and Mrs. Edward Sorenson, of 627 Parkway Avenue, Antioch and Mr. and Mrs. Ralph Justen of Riverside Drive, McHenry, Illinois.

The bride wore a floor length

gown of white silk crepe enhanced with pearl chantilly lace. The bodice was fashioned with an oval neckline, and long bridal point sleeves.

Maid of Honor was Miss Marcia Kulp and the best man was Beau Fidler. Mrs. Sally Weideman was a bridesmaid, and Jim Carter was an usher.

A reception was held for 100 guests at the Lorenz Smart country House.

CLASSES OF '46 & '47 GATHER

The graduating classes of 1946 and 1947 from Antioch Community High School held their 25th and 26th year class reunion on Saturday, October 14th at Andre's Steak House in Richmond, Illinois. They had a combined total of 89 turn out for an evening of fun, renewing of old acquaintances and dancing to Art Smejkal's Band. Various prizes were given out by the two

PM&L AWARDS NIGHT

The Palette, Masque & Lyre and friends didn't let Friday the 13th deter their fun and excitement at the Season 11 Awards Banquet.

Cocktails, good talk and much reminiscing preceded the buffet banquet. Following the

an Ear) and was also honored with the Hunley. Mr. Thespis Award. Karnak The Great (Josef Hunley) made the presentation to Aileen with the help of his lovely daughter, Pamela. Mrs. Hunley was home recuperating from surgery. Everyone wishes her a speedy recovery.

Many excited people probably

LOOKING OVER THE SCORE

Production team for PM&L's production of *MAN OF LA MANCHA* go over the score: (l to r) Ken Smouse, director; Tracey Teltz, pianist and Lyn Zaehler, choreographer.

SEASON 12

PM&L Theatre will open its 12th season with the musical drama "Man of La Mancha." Opening night is November 4th, with other performances on November 10, 11, 17, and 18. Reservations are being taken at 395-9702.

Miguel de Cervantes, aging and a failure in his varied careers as playwright, poet, and tax collector for the government, has been thrown into a dungeon to await trial. There, he is held before a kangaroo court of his fellow prisoners, who propose to confiscate the manuscript of his novel called *Don Quixote*. Cervantes, in order to save it, proposes to offer a novel defense in the form of entertainment. Thus, the prisoners and the playgoers see *Don Quixote* and *Sancho Panza*.

going out into the world like knights of old, seeking to serve what is good and to overcome evil.

Such humorous scenes as the fight with the windmills, the knighting of Quixote, and his mistaking a shaving basin for a golden helmet are re-enacted. More poignant scenes are his idealizing the inn's serving girl as the beautiful girl of his dreams, and his singing his beliefs in "The Impossible Dream."

Ken Smouse of Antioch is directing the play. Don Quixote is played by Lou Jones of Round Lake; Jones comes to PM&L from the Avon Players. Sancho is Don Beveroth of Paddock Lake; Nanci Eberman of Antioch Plays Aldonza; and the Padre is Fred Holbert of Antioch.

dinner came the desert in the form of mc, Fred Holbert, who introduced Michael Krawczyk, Acting Public Relations Director of the Milwaukee Repertory Theater Co. A program of slides enlightened the audience on what makes a successful repertory theatre.

Then came the Coupe DeGrass. The Awards! King Arthurs Sword took the best set and design and best costume awards.

Best special effects in a show was won by *Wait Until Dark*.

Suzie Dyer charmed the audience with her big smile as she received the best acting under 16 award.

Production Support for non acting member award went to Bill Sershon.

Tom Hausman received the Best Actor in The Price and best

supporting actor award in *Arsnic & Old Lace*.

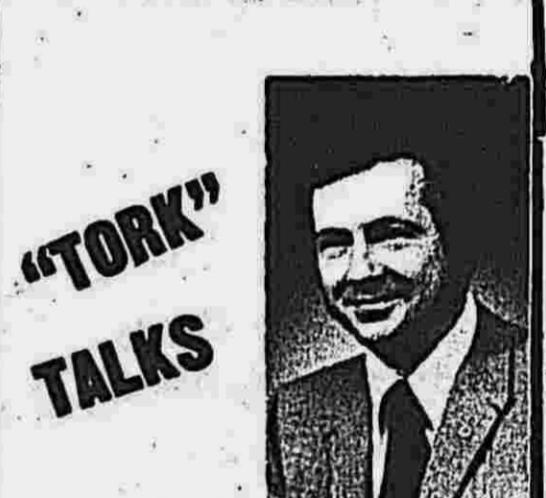

Best actress award went to Dena Fabry who played in *Wait Until Dark*.

Best director award went to Ken Smouse who directed *Arsnic & Old Lace* which won the best show award.

Rickie Apostol, appropriately, won the Outstanding service to PM&L award.

And Aileen Biel "bowled them all over" with Best Supporting actress (*Arsnic & Old Lace*), Best Musical performer (Lend

didn't sleep that night, but it was well worth it.

"TIRED OF TIRES?"

by: "Tork" Torkleson

If you are tired of getting poor mileage out of your tires, then here is some information that might help save your tires life.

The following lists the tire size designations recommended by the manufacturer for use on the vehicles to which it applies, with the recommended inflation pressure for maximum loading and the tire reserve load percentage for each of the tires listed. The tire reserve load percentage indicated is met or exceeded by each vehicle to which the table applies.

Tire Size Designations Recommended for Cold Inflation Pressure on the Front - G78-15, 25; H78-15 & HR78-15, 24; J78-15 & JR78-15, 24; 225-15, 24.

For Maximum Loaded Vehicle Weight - Rear. Tire Size G78-15, 27; H78-15 & HR78-15, 26; J78-15 & JR78-15, 26; 225-15, 26.

MRS. DOROTHY C. SANHAMEL 58 years old of 565 Main St., Antioch, Illinois passed away suddenly from injuries received in an automobile accident on Hwy 173 and Kilbourne Rd early Friday. She was born September 22, 1914 in Evanston, Illinois and lived there until moving to Antioch in 1943. She was a member of St. Peter's Church in Antioch and worked at Victory Memorial Hospital in Waukegan as a licensed practical nurse. She was returning home from work when the accident occurred. She married Joseph Sanhamel on December 14, 1934 in Waukegan. She is survived by her husband Joseph; 3 sons: Thomas Sanhamel (St. Joseph Mich.); James Sanhamel (Rolling Meadows, Ill.) John Sanhamel (Antioch, Ill.) 1 brother Peter Smith (Forest Park, Ill.) 2 sisters Mrs. Rose Brewer (Evanston, Ill.) Mrs. William (Elizabeth) Supernau (29 Palms, Calif.) 2 great grandchildren also survive.

Survivors are 6 daughters Mrs. Thelma Lewis (South Milwaukee, Wis.) Mrs. Marles Kempken (Burlington, Wis.) Mrs. Deloris Keller (Burlington Wis.) Mrs. Geraldine Brown (Bristol Wis.) Mrs. Nyla Dickau (Argyle Wis.) Mrs. Margery Mater (Lontona Florida) 4 sons, Louis Gauger (Kansasville, Wis.) Marlin Gauger (Rochester Wis.) Marvin Gauger (Rochester Wis.) Raymond Gauger (Burlington Wis.) 3 brothers, 2 sisters, 43 grandchildren and 12 great grandchildren. Funeral services were held at 1:30 p.m. Friday at Peace Evangelical Lutheran Church in Wimot. Rev. Arthur J. Valerio officiated. Interment was in Wimot Cemetery.

MRS. RUBY I. WEAVER - 54 years old of Hwy 173, Antioch, Illinois passed away suddenly on Tuesday October 10th at the Burlington Memorial Hospital on Sunday October 15th. She was born September 27, 1918 in Wimot Wis. where she attended grade and high school. She moved to Silver Lake in 1940. She had worked for 15 years for Regal China Company in Antioch. She married Donald B. Weaver on June 16, 1936 in Chicago. Preceeded in death by a brother Wesley Holtdor in 1944.

Survivors are the husband Donald B. Weaver, 2 daughters Mrs. Edmund (Wanda) Riddle (Kenosha Wis.) Mrs. Roger (Marjorie) Saucerman (Silver Lake, Wis.) 1 son George W. Weaver (Silver Lake Wis.) her mother Mrs. Emma Holtdor (Bristol Wis.) 1 brother Arthur W. Holtdor (Bristol, Wis.) and five grandchildren.

Funeral services were held on Friday at the Strang Funeral Home in Antioch. Rev. Robert Mason of the Silver Lake Community Baptist Church officiated. Interment was in Salem Mound Cemetery.

CHRISTIAN SCIENCE CHURCHES

Life is real and death is illusion was brought out in John 11 when Jesus raised Lazarus from the grave. This is described in the Lesson-Sermon entitled "Probation After Death" and will be read at Christian Science church services Sunday.

Citations from Science and

MRS. SADIE M. GAUGER - 75 years old of Wimot, Wisconsin passed away on Tuesday, October 10th at Mount Carmel Care Center in Burlington Wis. She was born October 10, 1897 at Wimot Wisconsin and had resided there all of her life having lived on the same farm for the past 50 years. She is a member of Peace Evangelical Lutheran Church at Wimot. She was preceeded in death by 1 brother Fred Rasch.

Survivors are 6 daughters Mrs. Thelma Lewis (South Milwaukee, Wis.) Mrs. Marles Kempken (Burlington, Wis.) Mrs. Deloris Keller (Burlington Wis.) Mrs. Geraldine Brown (Bristol Wis.) Mrs. Nyla Dickau (Argyle Wis.) Mrs. Margery Mater (Lontona Florida) 4 sons, Louis Gauger (Kansasville, Wis.) Marlin Gauger (Rochester Wis.) Marvin Gauger (Rochester Wis.) Raymond Gauger (Burlington Wis.) 3 brothers, 2 sisters, 43 grandchildren and 12 great grandchildren.

Funeral services were held at 1:30 p.m. Friday at Peace Evangelical Lutheran Church in Wimot. Rev. Arthur J. Valerio officiated. Interment was in Wimot Cemetery.

MRS. ROBERT E. MANN 73 years old of Hwy 173, Antioch, Illinois passed away suddenly at Burlington Memorial Hospital on Sunday October 15th. He was born May 26, 1899 in Chicago and has lived in Antioch since 1919. Mr. Mann was a member of the Sequoia Masonic Lodge No. 827 A.F. and A.M. and the United Methodist Church of Antioch. Mr. Mann had owned and operated a grocery store in Antioch for many years. He recently had worked at the Volo Bog State Park and had also worked for the Chain of Lakes State Park. He married Gertrude Lippert on October 11, 1937 in Indiana. He was preceeded in death by 1 brother Willard Mann during World War II

Survivors are his wife Gertrude; 1 daughter, Mrs. Richard (Faye) Krueger (Hadden Conn.); 1 sister Mrs. Myra Randall (Antioch) and 1 grandson.

Funeral services were held on Tuesday at the Strang Funeral Home in Antioch. The Reverend Donald C. Cobb of the United Methodist Church of Antioch will officiate. Interment was in Hillside Cemetery.

Health with Key to the Scriptures by Mary Baker Eddy read "Jesus restored Lazarus by the understanding that Lazarus had never died, not by an admission that his body had died and then lived again."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

ORDINANCE NO. 72-10-18

AN ORDINANCE PERTAINING TO KEEPING OF HORSES

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIQUA, ILLINOIS:

SECTION 1: REGULATION. No horse or other equine animal shall be kept or boarded and no accessory building used for keeping, training or the like, of a horse or other equine animal shall be hereafter erected or altered within the Village of Antioch, except in conformity with the regulations established and set forth in this Ordinance.

SECTION 2: MINIMUM AREA, AND LIMITATIONS ON NUMBER.

No horse or other equine animal shall be permitted on a lot or parcel of land of less than five (5) acres in area. No more than (2) horses or other equine animals shall be permitted on a lot or parcel of land or more than five (5) acres in area, but less than eight (8) acres in area. No more than four (4) horses or other equine animals shall be permitted on a lot or parcel of land eight (8) acres in area, or more. All definitions of land areas shall be exclusive of road easements and rights of way.

SECTION 3: EXERCISE AREA.

No horse or other equine animal, and no corral, ring or enclosure for the training of a horse or other equine animal shall be kept, located or maintained closer than thirty-five (35) feet from any lot line or property line.

SECTION 4: ACCESSORY BUILDINGS. Any accessory building used for the housing, training or keeping of a horse or other equine animal shall not be located closer than sixty (60) feet from any lot line or property line or within ten (10) feet from any septic tank or drain field tile line.

SECTION 5: RESTRICTION.

Every horse or other equine animal, exercise ring, corral, pasture or other open area for training or keeping of horses or other equine animals shall be suitably fenced so as to contain the animal in such manner as to protect adjoining property from trespass by the animal and to provide protection without danger of injury to the animal itself. No such areas shall be located over any septic tank or drain field tile line.

SECTION 6: PENALTIES.

Any person who violates any of the provisions of this Ordinance or neglecting or refusing to comply with any of the provisions hereof, shall be fined no less than Twenty-five (\$25.00) Dollars, nor more than Five Hundred (\$500) Dollars, for each such offense. Each day a violation exists shall be considered a separate offense.

SECTION 7: PENALTIES. Any person convicted of violating any of the provisions of this Ordinance or neglecting or refusing to comply with any of the provisions hereof, shall be fined no less than Twenty-five (\$25.00) Dollars, nor more than Five Hundred (\$500) Dollars, for each such offense. Each day a violation exists shall be considered a separate offense.

SECTION 8: PARTIAL INVALIDITY. If any provisions of this Ordinance or the application to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Ordinance, which can be given effect without the invalid portion or application, and to this end the provisions of this Ordinance are declared to be severable.

SECTION 9: RATIFICATION AND REPEAL. That except as heretofore amended and modified herein, the aforesaid Ordinance is hereby ratified and approved, but all parts of ordinances inconsistent herewith are hereby repealed.

SECTION 10: DATE WHEN EFFECTIVE. That this Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.

The foregoing Ordinance was adopted by a vote as follows:

AYES: 6
NAYS: 0
ABSENT: 0

KELLAM COMPLETES INSURANCE COURSE

Charles W. Kellam, Jr., Route 1, local representative for Mutual of Omaha and United of Omaha, has recently completed a comprehensive insurance course offered at the National Sales Training Center in Omaha, Nebraska.

The training center offers the first formal step in preparing the graduate for a professional career as a health insurance representative. The school incorporates the newest and most advanced methods of educational training, including complete audiovisual facilities.

Mr. Kellam is associated with the Kenneth V. Holmes Agency, general agency for Mutual and United in Chicago.

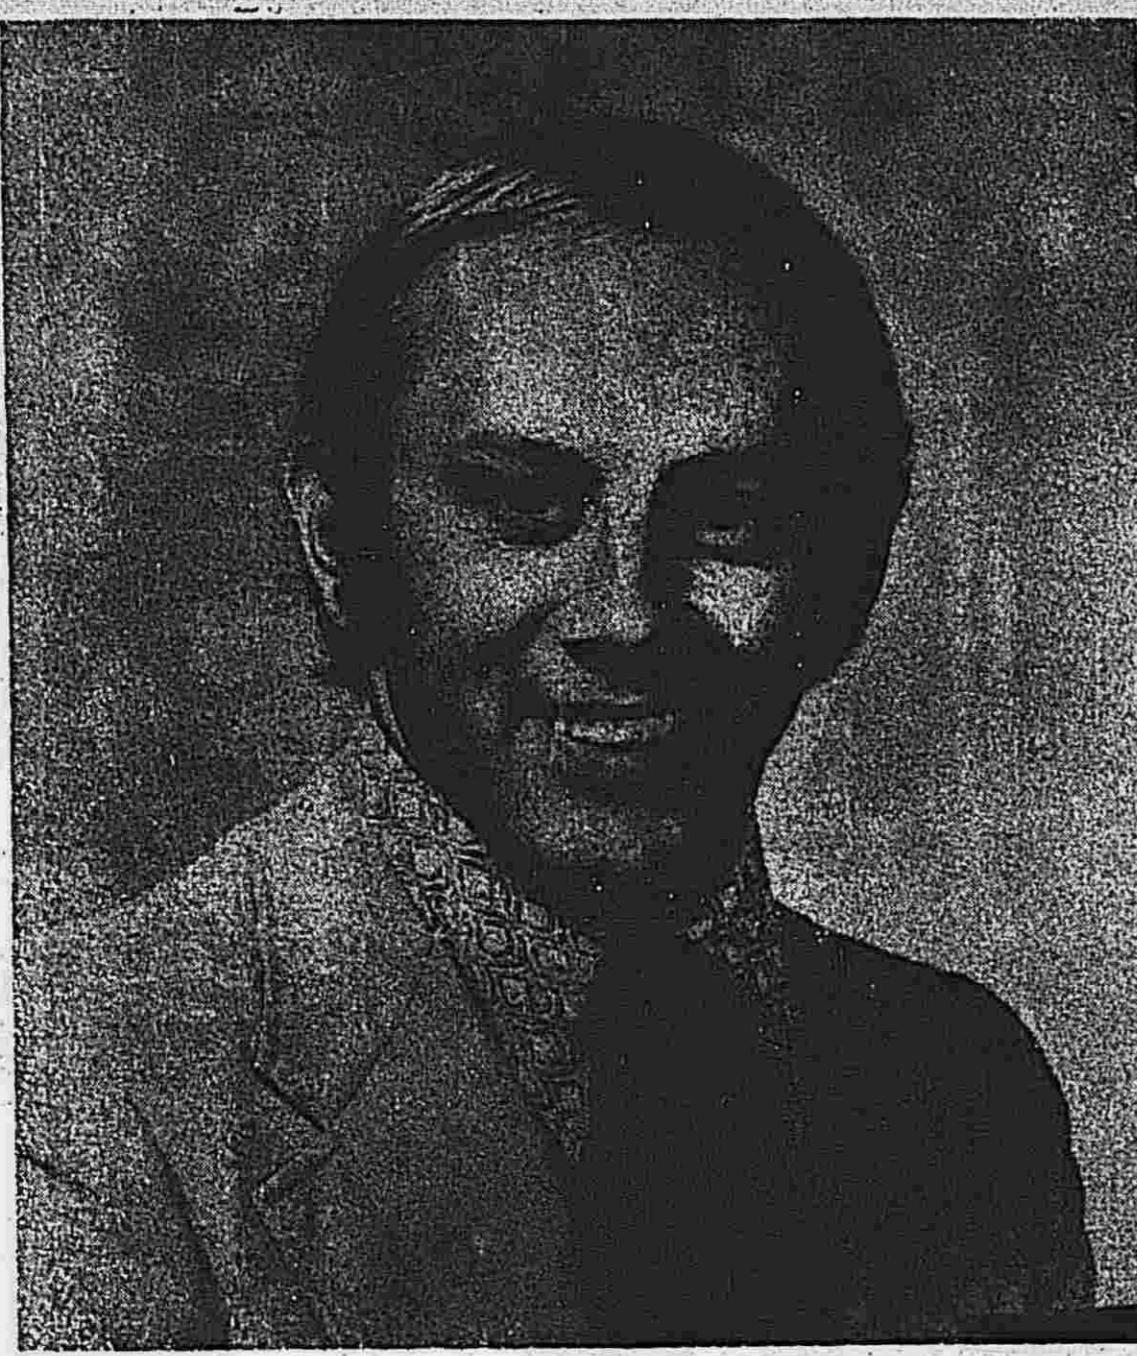

PVT. MICHAEL H. EDWARDS

Army Private Michael H. Edwards, son of Mr. and Mrs. Robert L. Edwards 608 Loretto, Lake Villa, Ill., completed today eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Pol. La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

Pvt. Edwards received his training with Company C, 5th Battalion of the 2nd Brigade.

The 20-year old soldier is a 1972 graduate of Grayslake (Illinois) High School. His wife Cathy lives at 4387 Mc Clure, Gurnee.

SPOTNAILS PROMOTES TOM RODDEL TO MIDWEST REGIONAL MANAGER

Tom Roddel has been promoted to Midwest Regional Manager by Spotnails, Inc., manufacturer of fastening products for the construction, furniture, woodworking and packaging industries. He will headquartered in the Rolling Meadows, Ill., plant, and be responsible for all sales in the Midwest Zone.

Mr. Roddel was Adhesive Products Manager, in which capacity he launched the Spot-Grp tools and adhesives in Spotnails' expanding line of mechanical and adhesive fas-

teners, including tools and systems for application.

Prior to joining Spotnails, Roddel was Vice President in charge of sales at Crawford Door Sales Company of Chicago. He has 15 years of sales and engineering experience in the building products field.

A native of Chicago, he attended Wright Junior College and DePaul University, where he combined courses in engineering with economics and business administration. He resides on Route 3 in Antioch, Illinois.

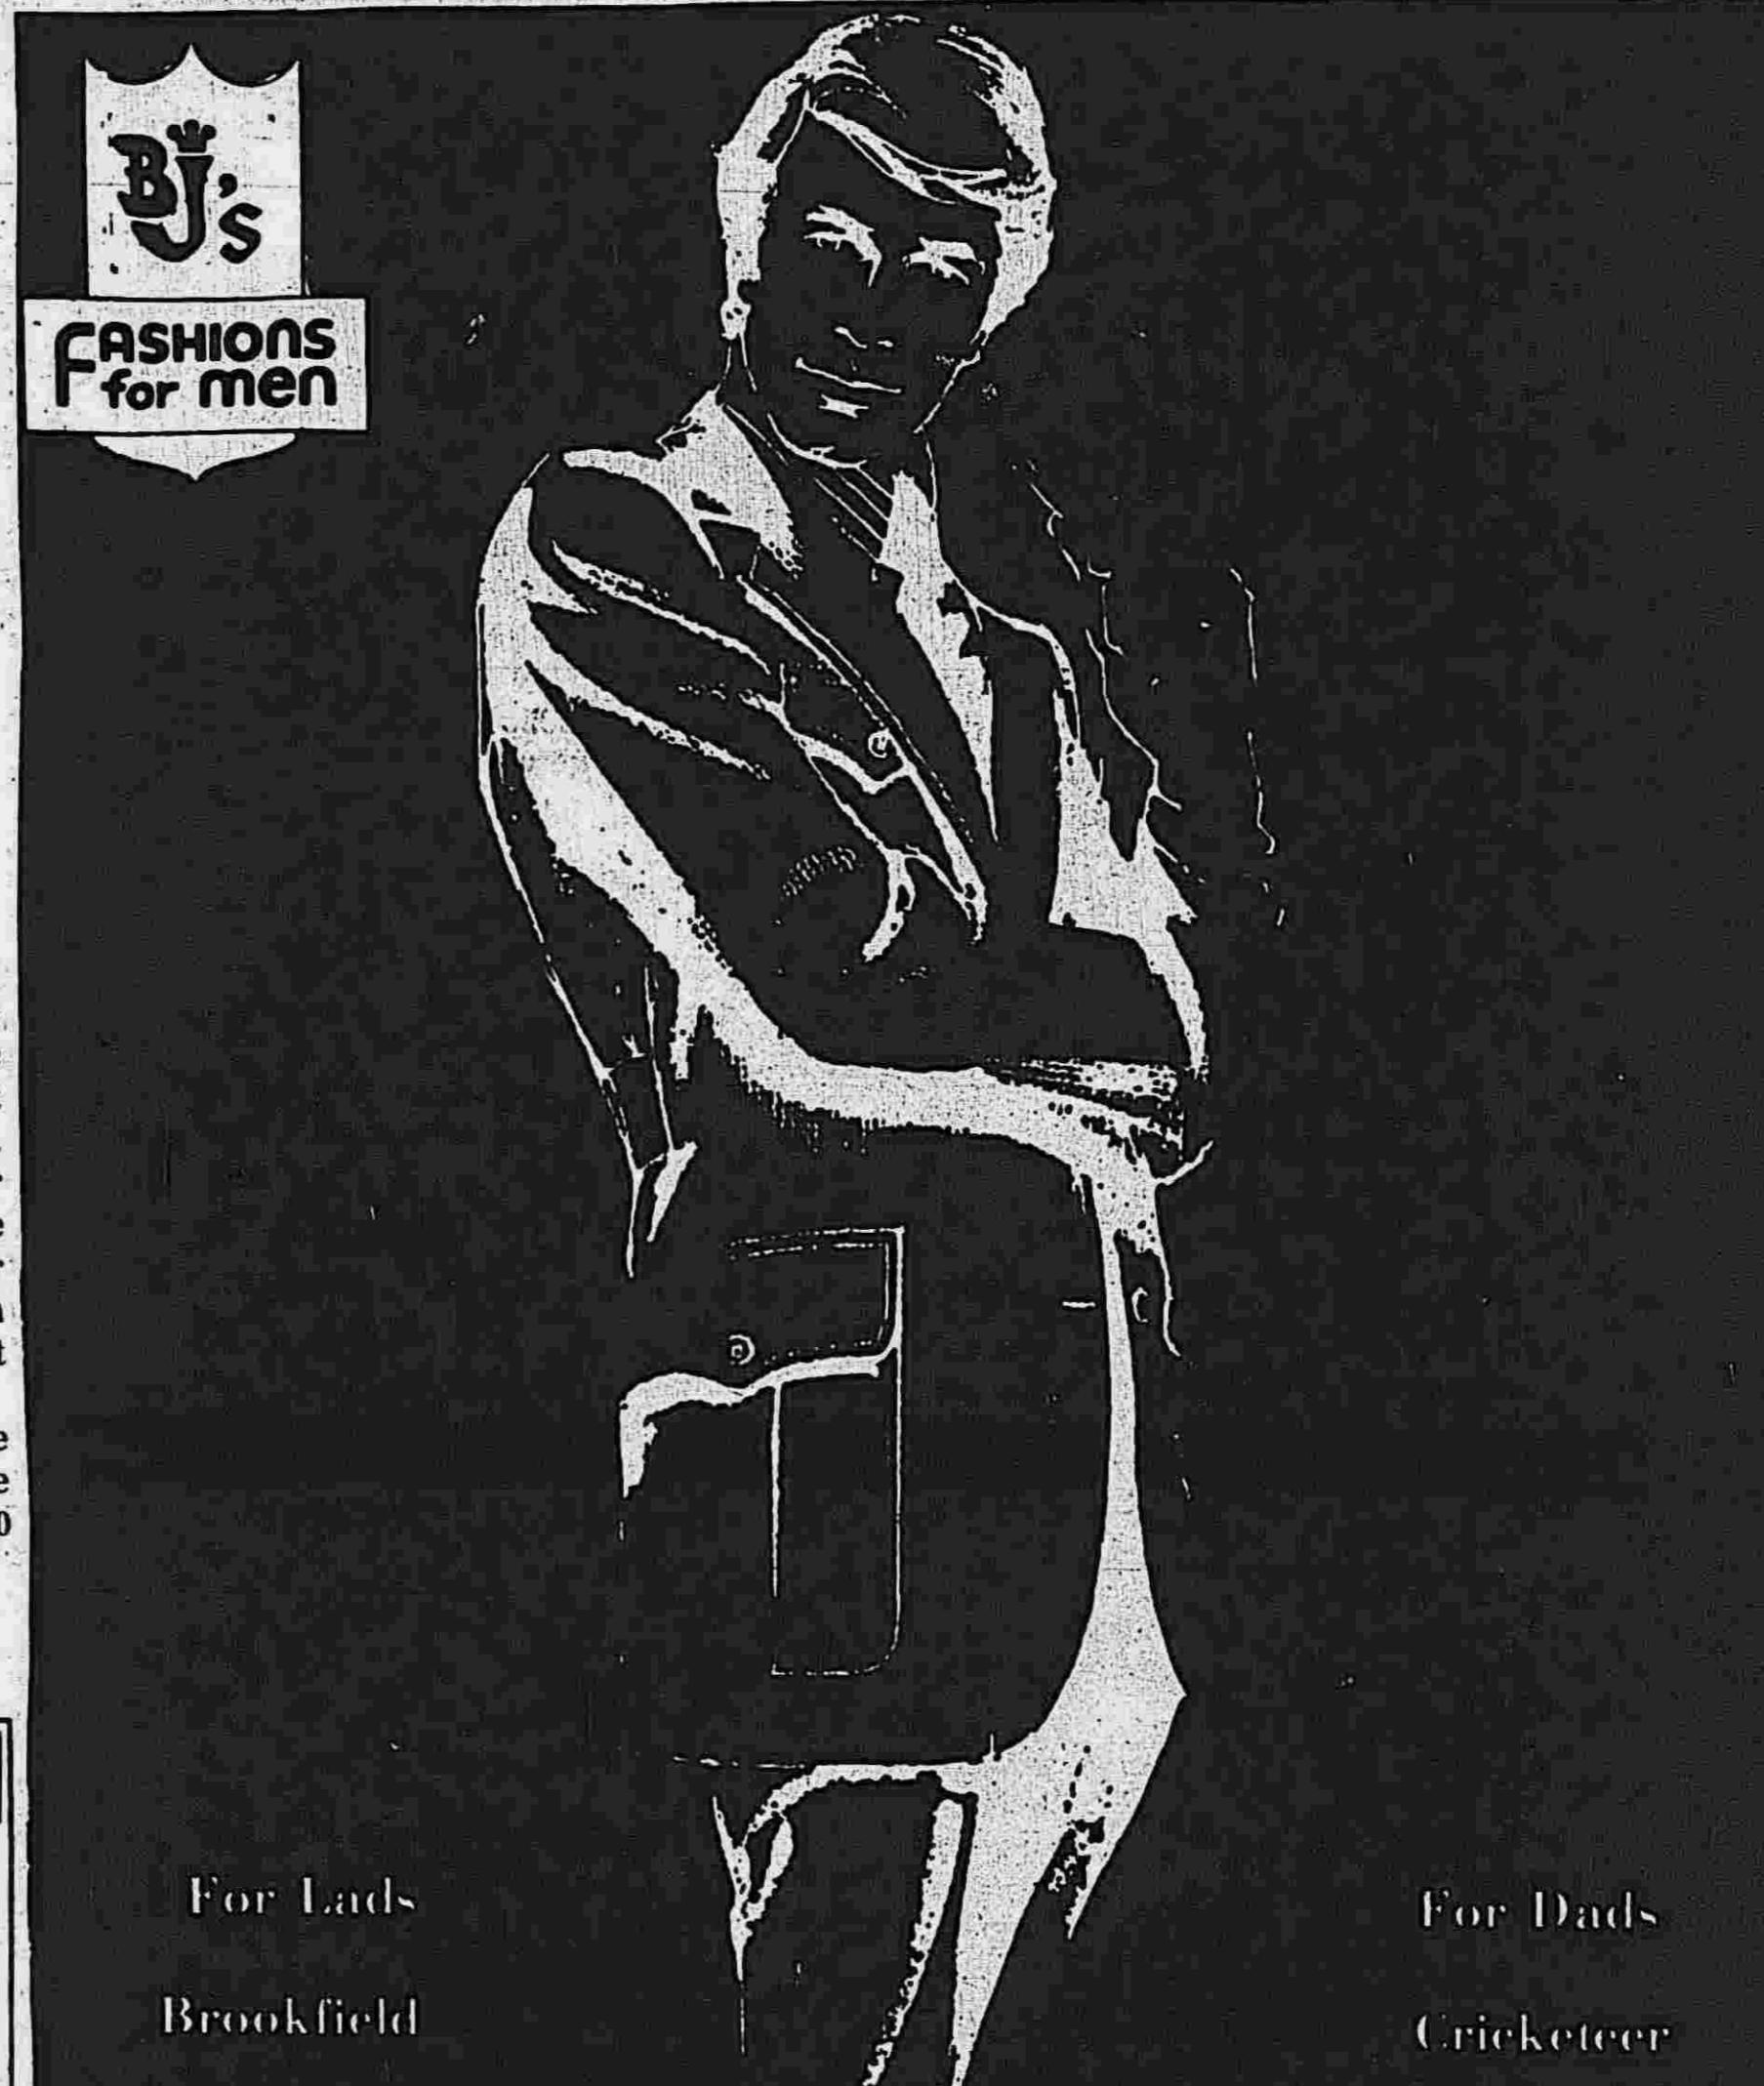

LOCAL ARTIST EXHIBITS WORK AT U OF I STATE SHOW

Mr. Ronald Wilson, McHenry and Mrs. Sally Zupan, Antioch are two of 73 amateur Illinois artists whose work has been chosen for the University of Illinois Town and Country State Amateur Art Exhibition. This seventeenth annual show will run from October 29 to November 12 in the High Court Mall at Lincoln Square, Urbana.

Mr. Wilson's entry, Just Dreamin, is done in Pastel and Mrs. Zupan's entry Flag is a collage.

For the Town and Country Art Program, amateurs are classified as those who engage in art as a pastime without pursuing it as a career. Anyone who receives half or more of his income from the sale of his work or services, or who holds a degree in art from a professional school does not qualify as an amateur.

There is no admission charge for the show, which will be open from 9:30 a.m. to 9:00 p.m. daily.

"SEQUOIT HAPPENINGS"**BITS AND PIECES**

By: Taffy Engelhardt

CHAOS! That's the only description for this week's activities. Student Council members are hurriedly trying to conclude and carry out all of their plans for homecoming. The classes are all slaving every night on their float. Homework seems to get kindly pushed aside. Spirit is shown in a different way each day this week. The football team is practicing super-hard for the big game. Many people are very excited and still preparing for the dance and some people are having some trouble finding time for sleep. But you can't find a person who would give up homecoming week.

The wrestling cheerleaders will be holding another tryout for a freshman or sophomore as a replacement.

Although we were defeated by Warren on Saturday, many feel that it was the best game all year. Warren's spirit was high - it was their homecoming, they are undefeated and they wanted to kill us because someone came and burnt a big "A" on their football field. Anyway, the Antioch crowd started out dead, feeling that we would be literally crushed by Warren. Not much pep and enthusiasm was shown. As the game went on, some Warrener's decided to be amusing and came over to our bleachers and cheered for their team. Well, you can imagine Antioch's reaction. Instantly, our fans began cheering and everyone was so wound up that I've never seen so much spirit. Even after the group of Warren kids decided they were outnumbered and left - our crowd kept going. It was really an experience. Warren had about five times as many kids as us, and we were out cheering them. No, we didn't win but we played a darn good game and Warren gave us back our school spirit that we've needed so badly and we've got it just in time for homecoming. Enlightening is the word. With a supporting crowd like last week, we can't help but bear Lake Zurich this week. Let's keep up the good work!

Congratulations to the members of homecoming court. The three seniors up for queen are Kerry Shute, Cathy Grunewald and Connie Wieczorek. The junior is Mlea Church; Sophomore, Sherry Buscher, and the freshman isn't known yet. It is between Sherri Engelhardt, Kim Fischer, and Laurie Perrone. The male attendants are yet to be chosen by the football team.

There was a pep club meeting on Thursday at which time posters were made and hung up and the wrestling cheerleaders came in and taught the pep club some of their cheers. The pep club is

also in charge of making the hoops for the team to run through for homecoming.

HOOMEOMING 1972

SEQUOIT SONGFEST (our Homecoming theme) is well on its way and this week is a busy one for all. Monday, October 16 is the official beginning of Spirit Week. Spirit Week will be slightly different than previously. Monday is wood day (for the bonfire) Hat Day will be Tuesday, Wednesday is Red Day, and Friday will be All School Spirit Day. Monday is also the first official day for classes beginning their floats. They have Monday through Friday to complete everything.

The result of starting early or ending late is disqualification. Each float must have a title that pertains to the theme - **SEQUOIT SONGFEST**.

Homecoming Activities begin Friday night with the pep rally on the football field. At this time, there will be a VW race between the classes - PUSHING the Volkswagen. The winner of Spirit Week is announced. Also the big moment when the 1972 Homecoming Queen will be announced. Immediately following this, the bonfire is held and everyone feels somewhat united as a school and the warmth of the bonfire gives you a good feeling inside.

Early Saturday morning, the classes are busy getting their floats ready for judging and at 10:00, the parade begins. Attendants for classes, homecoming queen, the cheerleaders, GAA attendants, etc. also ride in cars in the parade.

The game then begins at 12:00. The floats are presented at the game and the winning float is announced. The queen and court ride around the track on cars, as in the parade.

Finally on Saturday night at 8:00 the actual homecoming dance begins. FEAST will be the band this year and it's a really great one. At 10:30, coronation takes place, at which everyone is invited. Then, a beautiful evening is topped off by going out to dinner with your date.

The week of homecoming is a lot of hard work but also a lot of fun. Any way you put it, **SEQUOIT SONGFEST** will be a memory pressed between the pages of many minds.

HOOMEOMING PARADE

The Antioch Community High School Homecoming parade is assembling at 9:30 a.m., October 21, at the High School parking lot. All entries must be returned to the Antioch Community High School not later than October 17, 1972. The theme is **SEQUOIT SONGFEST**. Participation in this year's parade will be greatly appreciated.

The prize for the best Business float or car, will be a Standing Plaque.

The prizes for the best School Clubs are as follows:

1st - \$10.00
2nd - 5.00
3rd - a ribbon

The prizes for the best Class Floats are as follows:

1st - \$15.00
2nd - 10.00
3 - 5.00

The judging of the floats will be based on neatness, originality, construction and appropriateness.

N.B.H.S.

The National Business Honor Society of Antioch Community High School has elected their officers for the school year of 1972-73. They are: President, Connie Wieczorek; Vice President, Cindy Skryznecki; Secretary, Patty Geiger; Treasurer, Janice Gerber.

Other members are: Diane Cramer, Rich Klean and Diane Lubkeman.

This activity has been present at A.C.H.S. since 1962. There are two types of members, probationary and active. A probationary member must be a junior, enrolled in a business course, and have a scholastic B average. He also must have no more than one C, or any grade lower than a C. After maintaining a scholastic average of B and taking a total of six semesters of business courses (none of which grade is below a B average), he or she is eligible to become an active member during the second semester of his or her senior year.

This organization helps prepare members for careers in business and helps them learn more about the business world today.

Patty Geiger

W A C H RADIO

Did you know that Antioch High has its own radio station? Well it does, W A C H. Last year a former ACHS student, Rick Johnson, had his own station at Allendale School. He would make a tape recorded show to play back in the commons during lunch hour. By the way, he still broadcasts in Lindenhurst at 108 on the FM dial. The taped program led to the Audio Visual department setting up ACHS' own studio. The music is piped into the commons live every day during lunch. Steve (Bucky) Albright is in charge of the radio program with Doug Geiser, Larry Yopp and Randy Tobias also serving as disc jockeys.

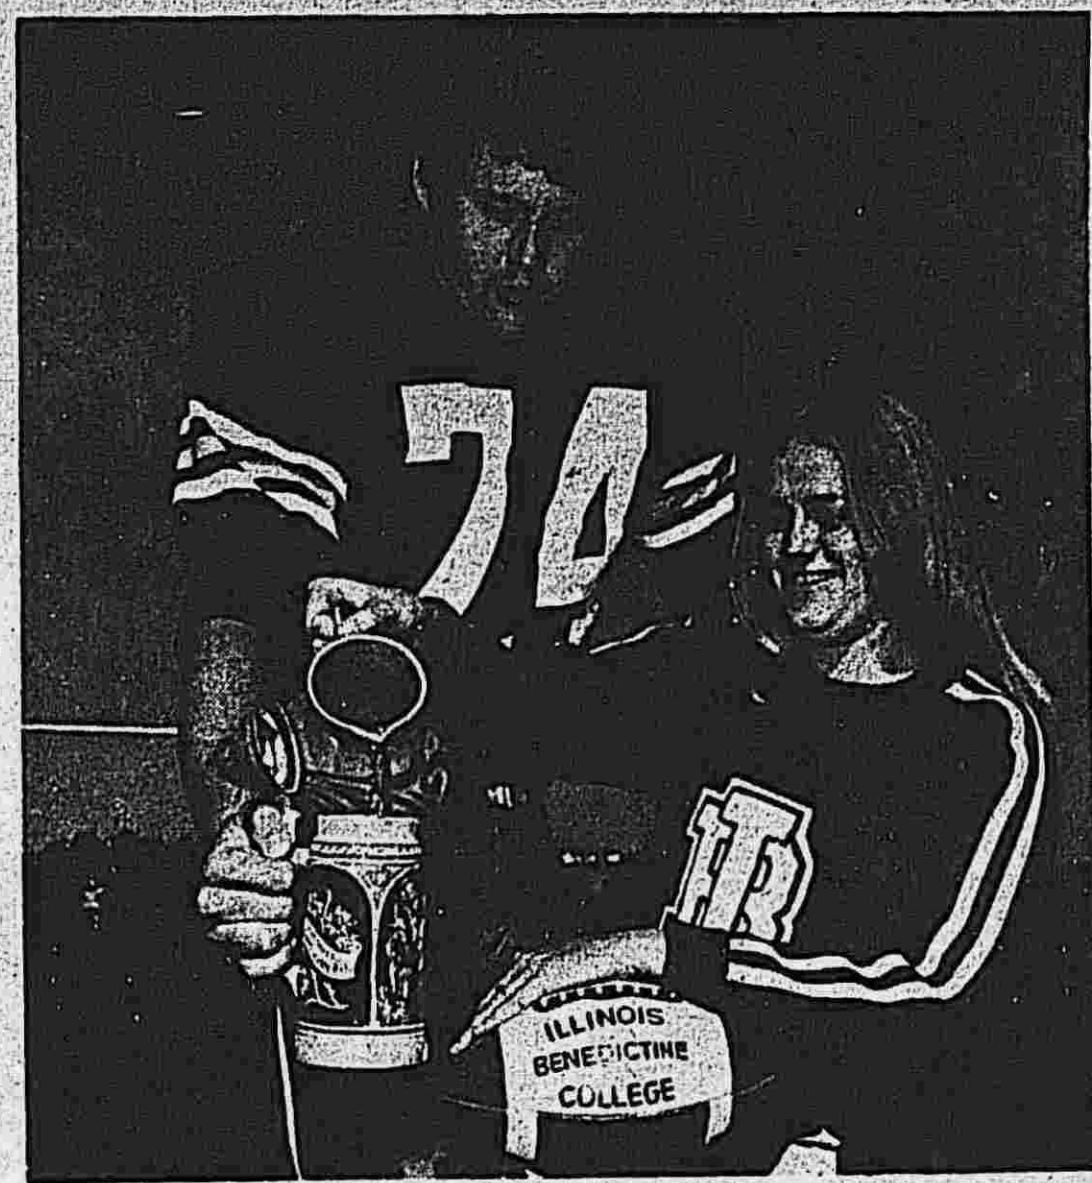

The format consists of rock music interrupted periodically with announcements concerning school happenings. There are also commercials for local merchants who purchase time on the air. The whole radio program is by the Audio Vision coordinator. Eventually the cafeteria will be wired for the broadcast to be heard there as well as the commons. If any students have any requests, suggestions, or comments, about the music or station they can see any of the W A C H disc jockeys.

Steve Albright

ATTENTION

Attention High School Seniors
The Illinois Editor's Traffic Safety Seminar again has invited all Illinois high school seniors to compete for ten \$500 Chicago Motor Club scholarship grants which will be awarded to winners of the Seminar's seventh annual traffic safety essay contest. The top 10 scholarship awards will be awarded to five boys and five girls.

All high school seniors currently enrolled in public, parochial and private schools in Illinois are eligible to submit essays on the topic: If I Had The

**DER VATER GIRL**

Antioch resident Karen Bevar, a cheerleader at Illinois Benedictine College, Lisle, lends an "Oktoberfest" atmosphere as she pours a stein of water for Carl Janssens of Naperville during a break in football practice. Oktoberfest is the theme of the 1972 homecoming at the Lisle college, which will hold the annual event during the week of October 23-28. Miss Bevar, a junior, acted as water girl during the practice sessions to remind the Illinois Benedictine players that the fans are expecting a homecoming victory over Illinois College in the traditional football game, October 28, beginning at 1:30 p.m. (photo by Gay Miyakawa)

THE SEWER
PANTS & MORE LTD.**AstroChart**

WEEK OF OCTOBER 20-26
ARIES (March 21-April 19): Moon in your zodiac sign spells all signals "go" for anything you want to do Friday or Saturday. You can start a new job or enter into a business venture with confidence. The feeling of well-being carries over to health. Exercise caution in romantic matters or there could be disappointments.

TAURUS (April 20-May 18): You may feel critical of family members, co-workers, but hold your opinions to avoid disharmony. Take care in your own work. Aspects good for career progress. Solar influences excellent for investment, financial gains if you are conscientious in your planning.

GEMINI (May 21-June 21): A good period for social activity with family members Friday and Saturday. Later in the week, disagreements or family problems could cause you worry. Follow your own intuition and don't permit criticism to disrupt your happiness. Better times are coming!

CANCER (June 22-July 21): Put yourself in the other person's shoes, especially if you are in a supervisory position. Calm persuasion works better in every situation. Take time out for social life Sunday. Later in the week, do your homework for that important project at work or school.

LEO (July 22-Aug. 21): Take care in financial matters. It's better to postpone a decision than to risk a loss you cannot afford. Romantic aspects on the rise. Pay attention to a loved one and you'll be pleased by the response. You may find yourself in the spotlight as a result of a special talent or achievement later in the week.

VERGO (Aug. 22-Sept. 21): An excellent period for shopping for something you've been wanting. Break out of the routine and into a faster cycle of life. Plans made now can work out well. Someone special may seek you out. This could mean a new turn in your romantic life.

LIBRA (Sept. 22-Oct. 21): A time for caution, especially while driving or in business matters. Be sure you know all the facts before entering into financial transactions. Not an auspicious time for romantic involvement. Slow down your social life this week and get plenty of rest. Heed the advice of family member.

SCORPIO (Oct. 22-Nov. 21): If you've been feeling down, take heart! This should be a more active week in every way. Be wary of advice given by a relative or co-worker who means well but is no expert. A trip Tuesday through Thursday could be profitable, both socially and financially.

SAGITTARIUS (Nov. 22-Dec. 21): Health could be bothersome. If you've been feeling lethargic, it could be due to lack of rest. Accept invitations to social events over weekend, but don't overdo yourself at the table. Then stick to routine to beat fatigue later in the week.

CAPRICORN (Dec. 22-Jan. 20): Someone you care for may disappoint you by being insensitive this weekend. Be patient, and all will turn out well. At work, don't be shy about expressing yourself. You have some constructive ideas to offer and a little push during this week could bring recognition.

AQUARIUS (Jan. 21-Feb. 18): Relax over the weekend and prepare for a big week ahead. Career chart is on the 'upswing and could mean a raise or promotion. Avoid disharmony with loved ones, even though you may feel you are right in a dispute.

PISCES (Feb. 19-March 20): Look your best this weekend. Someone you meet at a social event could become important in your life. Aspects good for financial dealings. You're due for a lucky turn, perhaps from an unexpected source.

Power....(a) This Is The One Thing I Would Do To Reduce Traffic Accidents, (b) and Here Are My Reasons!!

These original essays are to be 500 words or less and must be submitted to Seminar Headquarters, 66 East South Water St., Chicago, Illinois 60601, with a postmark no later than Dec. 31, 1972.

Final contest judging will be done by a panel of University of Illinois educators headed by Dr.

A.E. Florio, professor of safety education. Winners will be honored at the Seminar's 16th annual meeting on May 11, 1973 at Holiday Inn of Decatur, Decatur, Illinois. In addition to the scholarship grants, the Chicago Motor Club will present \$25 U.S. savings bonds to the 25 runners-up in the contest.

For further details and official entry blanks contact the Antioch News.

Good Luck!

chairman of the event.

Skip Whitton returned home Sunday, from a successful hunting trip to North Dakota. Skop was accompanied by his friend Herman Heir.

The 25th wedding anniversary of John and Margaret Runyard was celebrated last Saturday night at the American Legion Hall in Antioch. About 125 relatives and friends helped the happy couple enjoy a lovely evening of dancing and enjoyed the delicious buffet supper. Among the guests were the Runyard's 5 children, Doug, Tom, Patrick, Theresa and Diane. Marg and John received many lovely gifts and did some presenting of their own. Receiving a corsage in honor of her birthday on the same day was Barbara Bailey, along with a corsage and boutonniere to Milburn and Sis Rodgers who were celebrating their 15th anniversary that evening. The party was a great success and will be talked about for a long time to come. A very happy anniversary to John and Marg and may you enjoy many, many more.

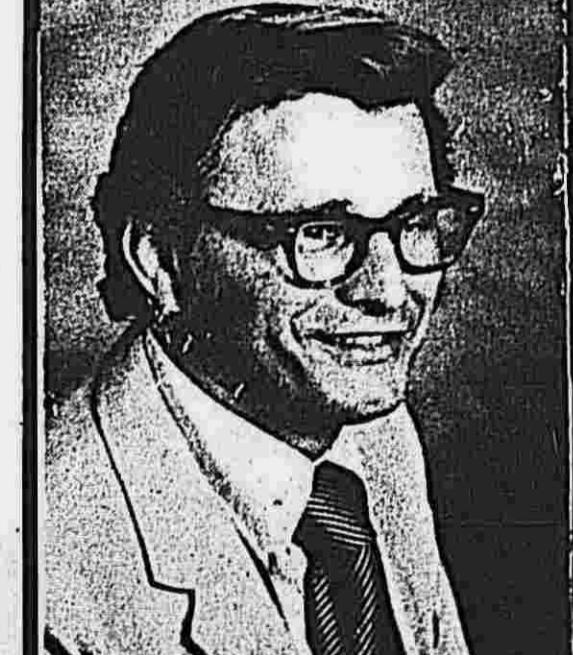

Also, a very happy birthday to Bary Bailey and happy anniversary to Milburn and Sis Rodgers.

Terry Runyard and Debbie Behrens received a 6th place at the Little Orchard Farms horse show, held last Sunday. The girls were riding double in the Tandem Bare Back riding event when they won their ribbon.

The class of '63 of Antioch High School has already begun to make plans for their tenth year reunion with Mike Zeien as

Skip Whitton returned home Sunday, from a successful hunting trip to North Dakota. Skop was accompanied by his friend Herman Heir.

The Channel Lake Grade School PTA held their first meeting of this school year on Tuesday, Oct. 10 in the school gym. The faculty and staff were introduced by principal Walter Soderman and room visitation followed the business meeting. The Room award was won by Mrs. Judy Robinson's fourth grade. The PTA usually meets on the second Monday of the month, but because of the Columbus Day holiday, the meeting this month was held on Tuesday. The next meeting will be held Monday, November 13.

Don't forget "Back to School Nite" at the Antioch Upper Grade School on Tuesday, October 24th at 7:30 p.m. The parents will be following their child's class schedule that evening with refreshments served afterwards in the cafeteria.

Let me know the news.
Louise

WEDNESDAY, OCTOBER 18, 1972 THE ANTIQUITY NEWS Page 18 OCT 22 EASTER SEAL WALKATHON

High School and college students from every corner of the county will participate in the student walkathon for Lake County Handicapped. The walk to be held Sunday, October 22, is being sponsored by the Lake County Easter Seal Society to help speed resumption of suspended services to the handicapped persons in Lake County. The Lake County Society, an affiliate of the Illinois and National Associations for crippled children and adults, operates and maintains the therapy center in Gurnee.

"Although the walkathon was originally intended for just students, we've had so many requests from other concerned individuals to walk that we've expanded it to allow everyone to participate," said Clark.

"We've contacted every high school and college in the County, and the response has been overwhelming," said Wendell Clark, Walkathon committee chairman.

The fifteen mile hike will begin and end at the College of Lake County. Clark explained that each person walking all or part of the course asks friends, family and businessmen to sponsor him at a monetary rate per mile. The walker will pass through six checkpoints along

the route and have his route card stamped at each. When the walkathon is over, the walker will return to each sponsor to collect money earned. Monies collected will be accepted at any of the twenty banks in Lake County cooperating with the walkathon.

"Although the walkathon was originally intended for just students, we've had so many requests from other concerned individuals to walk that we've expanded it to allow everyone to participate," said Clark.

"We've had Jaycee chapters volunteer to march as well as 4-H and Girl Scout groups."

"All monies earned by the walkers will remain in Lake County to help reinstate the temporarily suspended therapy programs at the center," Clark said.

Because of insufficient funds, the center in June was forced to suspend all speech and physical therapy. However, it has continued to operate as an information, referral and follow-up center and the free

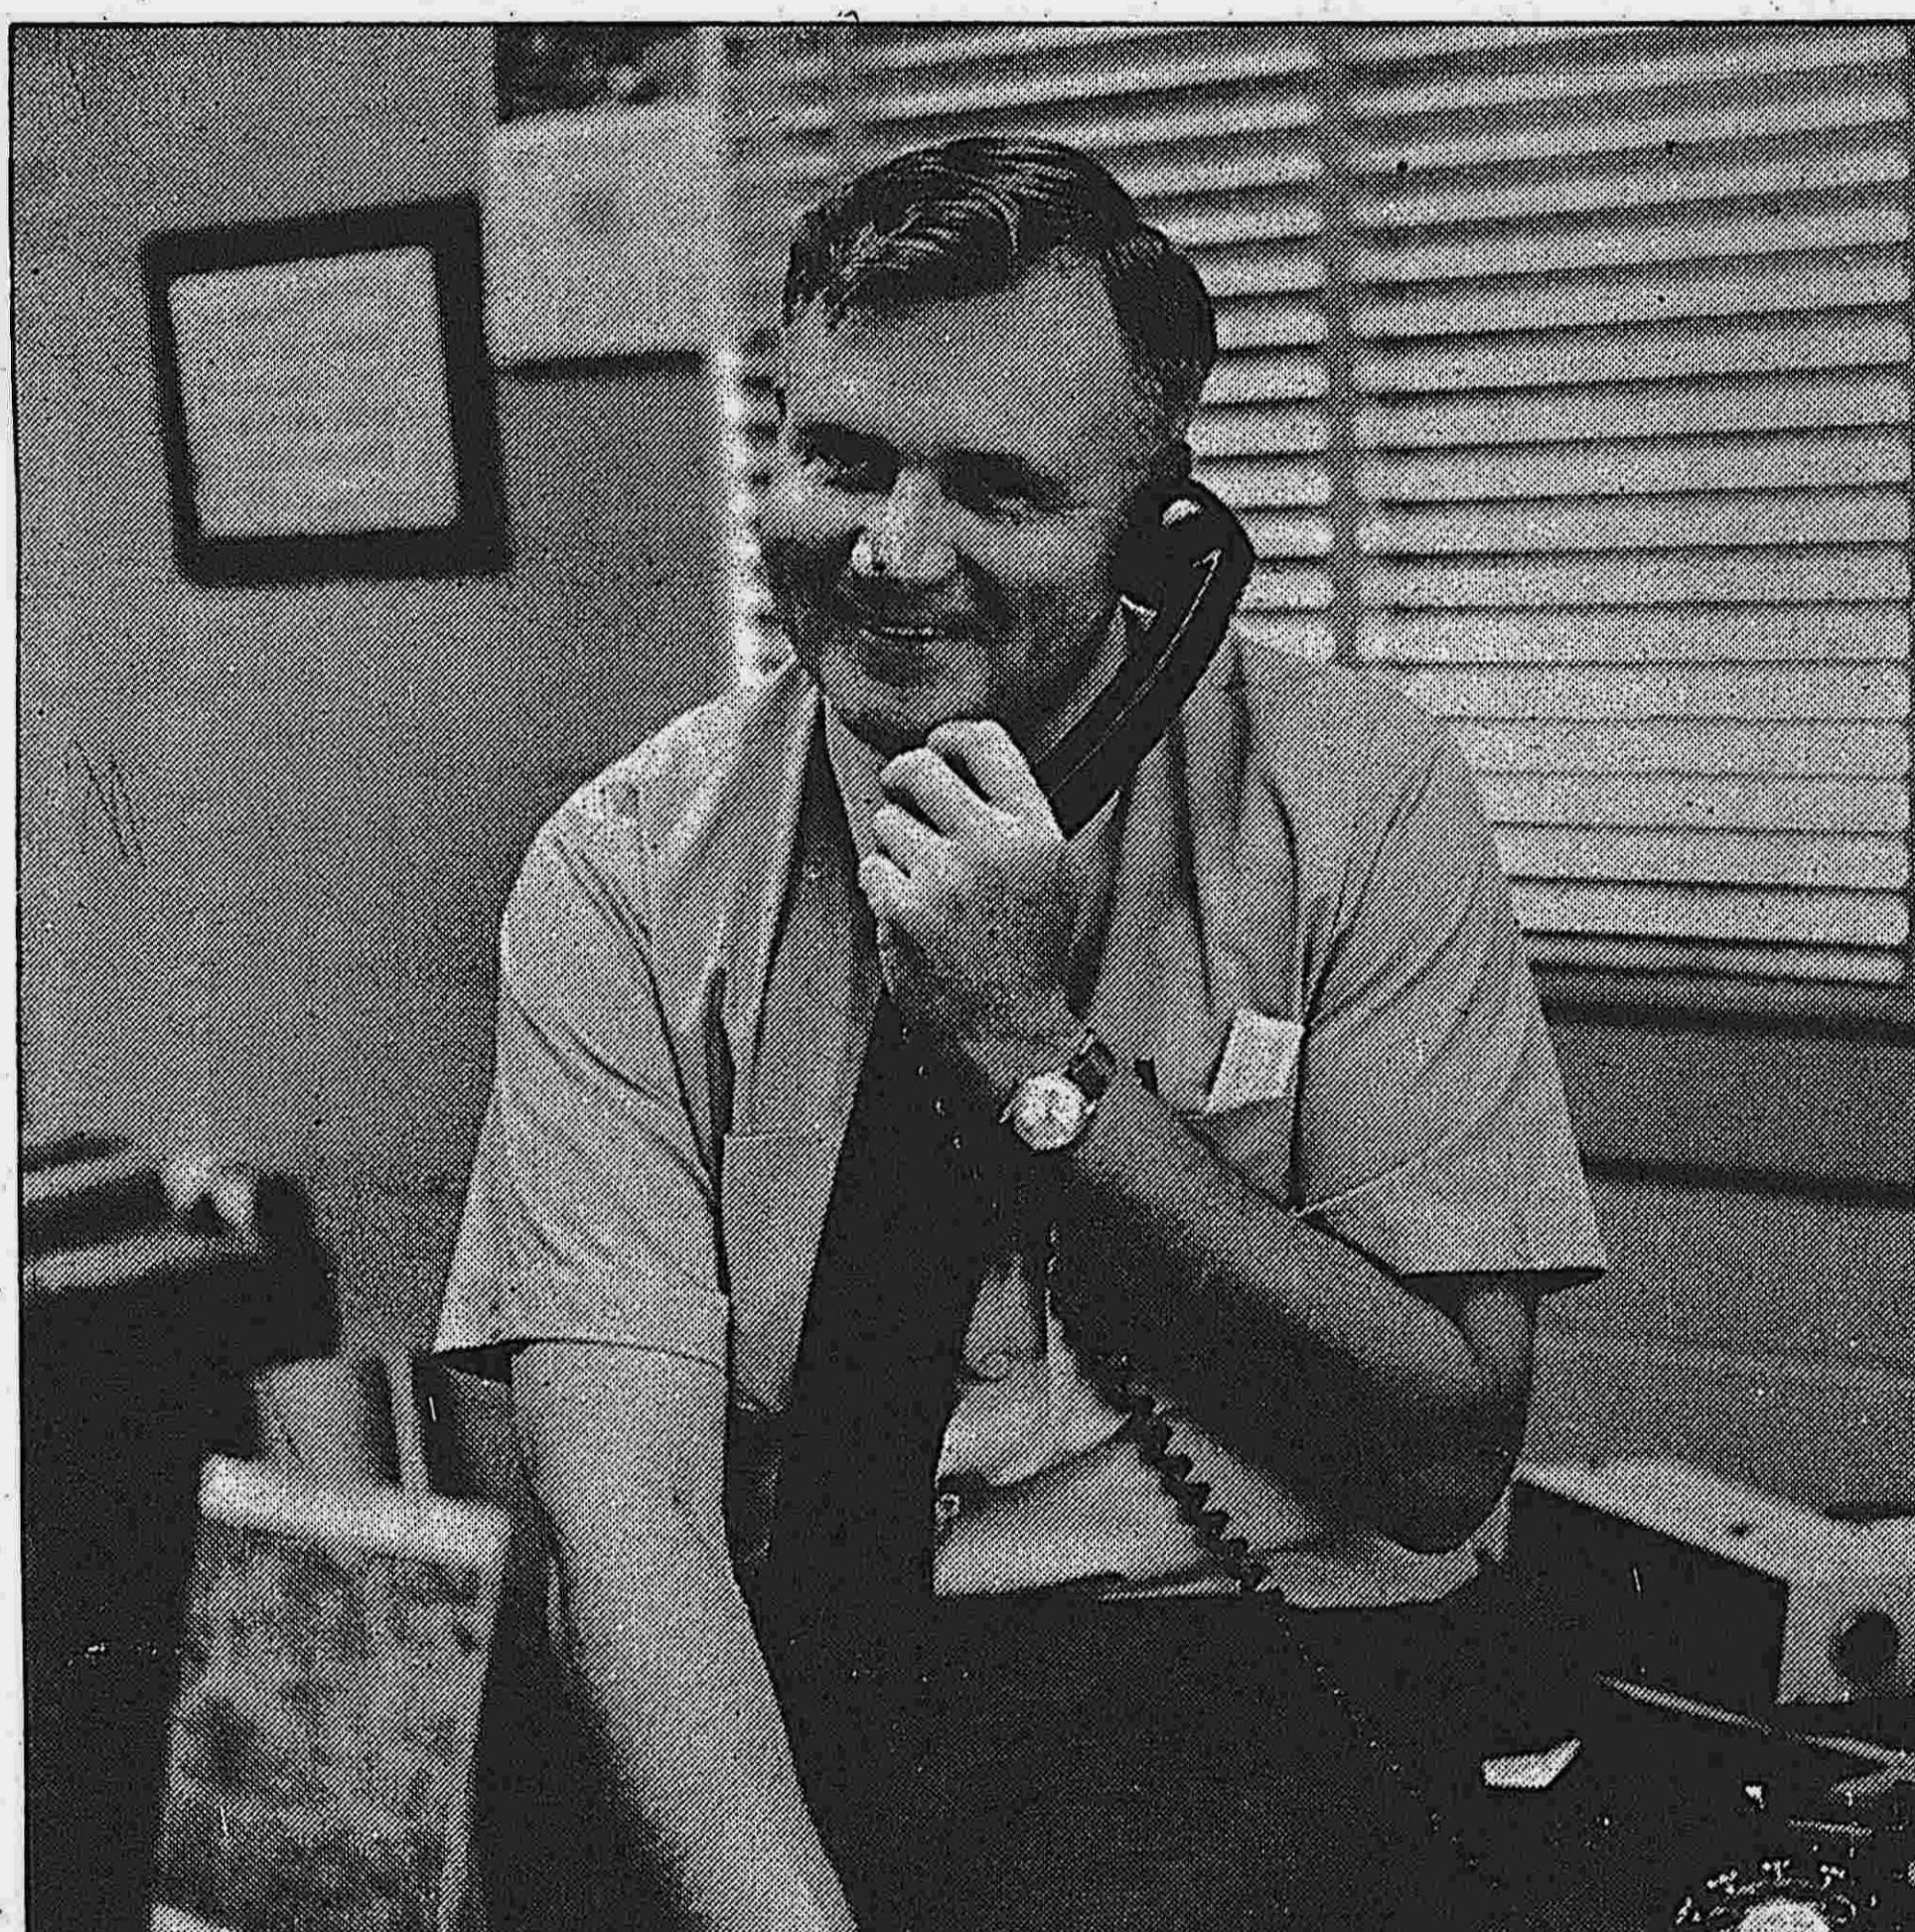

equipment loan program is very active.

Clark expressed hope that the walkathon would enable the center to resume its previous programs. "We hope to have enough money contributed through the walkathon to allow us to reopen our doors to the handicapped children and adults who so desperately need our help."

NAVAL HOSPITAL CORPS SCHOOL PICKS LEADER

The Naval Hospital Corps School at a Change of Command Ceremonies on October 4th got its first non-physician commanding officer when Capt. Russell E. Hunter assumed command.

Hunter, a medical service corps officer, will now direct the school which as 1,300 students attending 12 medical technician schools there.

cool head, warm heart

Bob Johnson's picture appeared in the paper last week. Since then, he's made a lot of new friends. Once people found out that Bob could tell them everything they wanted to know about electric heat, they started calling. And calling. It seems a lot of people around here don't want to spend another winter with an old-fashioned heating system. They want to find out for themselves about the difference clean, modern electric heat can make.

That makes Bob happy because he likes to make people comfortable. But Bob's not all heart. He also believes in wise decisions.

That's why if you call Bob, he won't just sell you on electric heat. He'll help you figure out how to save money and how to get the most out of the money you spend. Like taking advantage of the special conversion allowance.

If you haven't met Bob Johnson yet, please do. Call 662-4000.

With a Stern Eye

Voters' Registration closed on Tuesday October 10th with a whimper and a bang. The County Clerk's office was filled throughout the day with a well-mannered throng of new citizens, new residents of Lake County, the newly married and the newly transferred. This was the final hour.

"Do you think I should go out and get some sandwiches for the girls?" I asked Terry about 1 PM. Every available body was at the counter placing under oath, filling in vital statistics, witnessing signatures; no one had been off their feet since before 9 that morning.

"I'm working out a system for relief," said Terry. "The best thing you could do would be to hurry back from your own sandwich and take over for one of them."

"Yes sure," I said. But I felt faintly apologetic about my morning absence at the County Board meeting. Surely I could have been more useful in my own office, crowd tending, shouting instructions and rounding up strays.

I ate hurriedly, then hustled back to my place in the line of scribes. "Date of birth?..." And I was reminded of the occasional registrant who refuses to give us the year of birth. "Social Security number?..."

Two days in a row of steady registration. The day before, Joan and I had used the Columbus Day holiday to go to the Zion Nursing Home to register some of the folks there who had expressed an interest. We were made very welcome. We sat at a table in the conference room and the would-be-registrants sat or stood about in the lobby just outside, coming in to us, two at a time, to be registered.

The Zion Home is a remarkably warm and happy place. I have spent a fair amount of time visiting such

HOWLETT URGES INCLUDE TAXPAYER PROTECTION WITH CONSUMER PROTECTION

Protection of consumers from defective goods and inadequate services should be extended to cover government as well as commerce and industry. Michael J. Howlett, Democratic candidate for Secretary of State, said.

Howlett, Illinois' Auditor of Public Accounts, will be the guest of honor at a testimonial dinner of Independents for Howlett, Wednesday evening, October 25, 1972, in the Sail Inn at Rte 59 and Grand Avenue, Fox Lake.

"Consumer protection is older than the United States of America," Howlett said. The first legislative body on our continent, meeting in Virginia in 1619, passed a consumer protection law regulating the price of tobacco.

"Today we have government agencies at local, state and federal levels to protect consumers against fraud, deception, substandard goods and substandard services.

"There is no reason why government itself should es-

cape critical examination of the goods and services it provides the taxpayers who pay for and consume what it produces.

"Illinois residents who apply by mail for driver's licenses, vehicle license plates and certificates of title frequently complain of lengthy delays in service from the office of Secretary of State.

"People who pay for service are entitled to have it, be they consumers or taxpayers. In the office of Auditor of Public Accounts for the last 12 years we have felt the people of Illinois are our customers, and the customer is always right.

"In our office, we have been able to process workloads to get checks on their way to a citizen within three to five days after we receive vouchers for payment.

"We have worked relentlessly to cut costs. We are doing more work in the office with fewer employees than when I was elected.

"Expenses of the Auditor's office have increased 118 per cent over the 12-year period. During the same period, the state budget has increased 322 per cent.

"We have saved money from every appropriation ever voted to my office, and have returned \$1,171,354 to the treasury to be used for other purposes.

"With all the consumer protections that have been set up - 938 programs in the federal government alone - the consumer has one remedy he

can exert on his own in private industry. If he doesn't like what he finds in Macy's he can go to Gimbel's.

"This is a remedy he doesn't have in government. The Auditor of Public Accounts is the only man who can write a check for him to pay the state's obligations. The Secretary of State is the only man who can send him a license to drive a car in Illinois.

"The only way the taxpayer can protect himself against defective goods and services from government is to elect the right office holder. And the best way for him to judge is on the record of the candidate."

CLASSES OF '46 & '47

GATHER CONT.

party and were given a prize to help them find their way back home later.

Other prizes were given for the "Longest Marriage" "Most Children", "Least Amount of Hair", "Most Hair", "Oldest Grandchild" "Newly Weds" and "The Youngest Child", but we all have our little secrets and the competition was great and we won't tell who won.

Just a great time was had by all and we are looking forward to another reunion in 5 years. The Committee Members from the two classes, Jim Fields, Butch Hairrell, Corky Hills, Jean Irving, Pres Reckers, Chuck Rigby, Betty Ritt, Vi Walsh, Bernice Pape, Georgia Ellis and Bob January had their own fun and reminiscing sessions which made for more pleasure than work.

PTA BOARD MEETS

Antioch Upper Grade School A.P.T. Club Executive Board met briefly Thursday evening to review and plan the programs for the 1972-73 school year.

New and reelected officers included, President, Louise Gutowski; Vice President, Bernice Pape; Secretary, Sandra Bailey; Treasurer, Jane Lytkainen; Ways & Means Chairman, Pat Harland; Hospitality, Carol Whitton; Budget & Finance, Richard Kessler; Parliamentary & Liaison Teacher, Paul Epner; Membership chairman, Jan Kut and Principal and Guidance, Bill Herbst.

The first APT meeting will be held October 24, at 7:30 p.m. Parents are invited to report to their child's homeroom, where the homeroom teacher will explain and direct the student's schedule to the parents for a back to school night.

Students will be assigned to guide parents wherever necessary. Parents should check with their student as to their homeroom number. The evening is programmed to acquaint the parents with their students school program and activities. Time will not permit personal

moose news

The Officers meeting of L.O.O.M. will be held Wednesday October 18, 1972 at 8:00 p.m.

Come to the fish fry held Friday, October 20, from 6 p.m. to 9 p.m. Al Ballenger and John Bartuska will be the cooks for the evening.

Sunday, October 22, 1972 at 9:00 a.m. there will be a Breakfast-Enrollment. Chef Les Palmer and his crew will be our cooks. All L.O.O.M. members, eligible candidates and their wives are welcome.

The first Pot Luck of the year was held by the Antioch Legion, Sunday, October 15th with only 11 people present. All enjoyed the companionship and good meal. Why don't all of you Legionnaires plan on attending the next Pot Luck which will be held the 3rd Sunday of conferences with the student's teacher, but if necessary please call 395-1905 for an appointment.

Refreshments will be served in the cafeteria after the back to school program is completed.

We urge parents at this time to also join the APT club so that better parent-teacher relationship may be formed.

WEDNESDAY, OCTOBER 18, 1972 THE ANTIODCH NEWS Page 20

ORDINANCE NO. 72-10-17

AN ORDINANCE AMENDING AN ORDINANCE ENTITLED "AN ORDINANCE RELATING TO TRAFFIC" OF THE VILLAGE OF ANTIODCH, LAKE COUNTY, ILLINOIS

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIODCH, ILLINOIS:

SECTION 1: AMENDMENT TO TRAFFIC ORDINANCE. That an Ordinance entitled "An Ordinance Relating to Traffic", of the Village of Antioch, Lake County, Illinois, as amended, be and the same is hereby further amended by adding thereto the following section:

Signs and Signals. It shall be unlawful for the driver of any vehicle to disobey the instructions of any official traffic sign, signal or control device placed in view to regulate, warn or guide traffic by authority of the Board of Trustees of the Village of Antioch, or in accordance with the laws of the State of Illinois, excepting on direction of a police officer. All official signs, signals and control devices established by direction of said Board of Trustees shall conform to the Illinois State Manual of Uniform Traffic Control Devices for Streets and Highways.

SECTION 2: RATIFICATION AND REPEAL. That except as heretofore amended and modified herein, the aforesaid Ordinance is hereby ratified and approved, but all parts of ordinances inconsistent herewith are hereby repealed.

SECTION 3: DATE WHEN EFFECTIVE. That this Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.

The foregoing Ordinance was adopted by a vote as follows:

Phone 395-3606
1901 Main Street, Antioch

Name: Raymond H. Lewis

Vocation: Guiding investors seeking income and growth.

Representing: The Milwaukee Company, investment banking on the Bright Side since 1904.

Background: Former Vice-President with a New York Exchange member firm, Registered representative of a N.Y.S.E. member firm for the past six years.

Ray Lewis is indeed a new man in town. And, if you like the kind of guy who stays on top of things to help you handle your investing, it's time you met him. He represents a sixty-eight year old investment banking firm which is a member of the New York, American and Midwest Stock Exchanges. What's more, he would like to go to work for you, assisting in the purchase or sale of stocks, bonds and mutual funds. Ray can supply you with research reports on individual stocks and opinions on current market conditions.

So, if you'd like to start investing or if you'd like an opinion on your present investments, you can reach Ray at his office (641-1580) between 9:00 am and 4:00 pm or at his home in Antioch (395-6595) any weekday evening until 10 or on Saturday or Sunday, 9:00 a.m. to 6:00 p.m.

Better yet, clip the coupon to drop Ray a line. He'll call you. It's the neighborly thing to do.

Mr. Ray Lewis
THE MILWAUKEE COMPANY

SEQUOITS PSYCHED-OUT

The Sequoits faced their fifth defeat of the season last Saturday as they were downed by the Warren Blue Devils 24-0. Even though the odds seemed to be against them, Warren's team are the champions, it was Warren's homecoming and the Blue Devil's seemed to be especially psyched up for an outstanding victory, our Sequoits proceeded with unwavering esteem, and even though they were unable to score, played an excellent defensive game.

Good defensive plays were made by Glen Amundsen, Steve Vasquez, Doug Banwart, Dave Piironen, and Rick Sedar. The Sequoits recovered four of Warren's fumbles and Rick Sedar intercepted a key pass, which prevented the Devils from scoring.

In the first quarter as a result of a blocked punt, Warren scored and recovered on the ninth, the point after the touchdown failed and the Blue Devil's were leading 6-0. The Devil's made their second touchdown of the game shortly afterwards as they forced the Sequoits to punt and after 6

plays had gained 48 yards. So as the half-time homecoming follies began the Sequoits were behind 12 to 0.

Antioch was able to hold the Blue Devils back in the 2nd and 4th quarters, which were thankfully scoreless, but the third quarter was to see two more touchdowns.

Scoring for the Blue Devils were Mark Chermel with two touchdowns, Pete Gorsline made one touchdown on a 18 yard run and Pat McCann ran 25 yards after receiving a pass from Frank Oller.

The Sequoit's Charlie Chapman carried the ball 18 times for a total of 55 yards. Bill Armstrong carried the ball 8 times for a total of 13 yards, Fred Popp carried it 6 times for a minus 26 yards and Floyd Davis carried it twice for a minus 8 yards. The Sequoits completed 4 out of 8 passes for a total of 20 yards, the total offensive rushing was 54 yards.

This coming Saturday is Antioch's Homecoming, when the Sequoits will meet Lake Zurich's team. Good luck Sequoits! We know you can do it.

EMMONS WINS TWO

The Emmons Raiders bounded back after its initial loss to Grass Lake School with wins over Milburn and Lotus.

The first time Emmons had possession of the ball against Milburn they marched 45 yards in three plays. On the third play from scrimmage, Terry O'Brien rounded right end and raced 35 yards for the first score. The extra point attempt was missed. In the second quarter, Bill Dubek capped a drive for Emmons with 15 yards on an end around. The PAT was converted on a pass from QB Jerry Schmidt to Bill Dubek.

The Mustangs came right back for a touchdown. Mike Ray ran around left end for 11 yards and a touchdown.

The Mustangs came right back for a touchdown. Mike Ray ran around left end for 11 yards and a touchdown.

Emmons scored the final touchdown of the game when John Kakacek broke through the middle and raced 10 yards for the score. Schmidt added the extra point on a quick opener off guard.

The Raiders then traveled to Lotus School. Emmons played to a bruising first quarter standstill. In the early going of the second quarter the Emmons defense led by Scott Brueggeman held. On the ensuing punt, O'Brien scooped up a rolling football and raced 45 yards for a score. He made a quick fake right and moved outside to the left and raced untouched into the endzone. The PAT was scored when Schmidt hit Dubek

in the deep corner of the end zone with a pass.

With time nearly gone in the half, Mark Meisgier scooted around left end and powered into the end zone. The extra point was missed giving Emmons a narrow 7-6 lead.

In the third quarter Lotus took an apparent lead. However a 50 yard touchdown by Meisgier was called back, by an infraction.

With time running out, safety John Eder picked off a deflected Lion pass. Eder brought the ball in for the score to give Emmons a 13-6 win as time ran out.
